Date: February 18, 2014

Time: 9.30 am to 5.30 pm

**Venue: Seminar Hall – SH-II
Pondicherry University**

The Department of Chemistry was established in 1987 and since then has been doing path-breaking work in the contemporary chemistry teaching and research. Major thrust areas of the Department include Organic Synthesis, Magnetic Resonance, Solid State Chemistry, Organometallic Chemistry and Theoretical Chemistry. The Department offers Post-graduate programs in Chemistry including M.Sc. (Chemistry, 5yr Integrated), M.Sc. (Chemical Sciences), and Ph.D. The Department has been recognised for special funding by UGC (SAP-DRS-II) and DST (FIST)

To bring faculty, Ph.D. scholars and post-graduate students on a platform, the Department is organizing a one-day seminar program CHEMZEAL-2014. There will be invited talks and presentations from Ph.D. scholars (who are about to submit or just submitted their thesis) and poster presentations by M.Sc. students. Professor U. V. Varadaraju (IIT M, Chennai), Dr. N. Somanathan (CLRI, Chennai) will give invited talks
