

About the Department

The Department of Chemistry, Pondicherry University was established in 1987 and since then has been doing path-breaking research work in the contemporary chemistry. Major thrust areas of the Department include Organic Synthesis, Magnetic Resonance, Nanomaterials and Photocatalysis, Solid State Chemistry, Green Chemistry, Catalysis, Bioinorganic Chemistry, Organometallic Chemistry, Theoretical & Computational Chemistry and Polymer Chemistry. The Department offers Post-graduate programs in Chemistry including M.Sc. (2 year), M.Sc. (5 year integrated) and Ph.D. Success of a large number of post graduate students in national tests, UGC-CSIR, NET and GATE bear testimony to quality teaching in the Department. Similarly, publications in scholarly national and international peer-reviewed journals showcase the Department's achievements. The Department has been recognized for special funding by UGC (SAP-DSA) and DST (FIST).

About Pondicherry University

Pondicherry University is a Central University established by an Act of Parliament in October 1985. It is an affiliating University with jurisdiction spread over the Union Territory of Pondicherry, Lakshadweep and Andaman-Nicobar Islands. The University's motto is "*Vers la Lumière*" meaning "towards the Light". The main campus is located at Kalapet, 10 km from the town of Pondicherry, in a serene and beautiful campus of 800 acres adjoining the scenic Bay of Bengal. The University also has off-campus centres at Puducherry-town (Community College), Karaikal and Port Blair. It is the fastest growing central university with more than 5000 students representing all states of our country and even abroad, and over 450 highly qualified faculties across the country.

About Pondicherry

Puducherry is one of the most popular tourist spots for national and international tourists. A unique experimental city **Auroville**, the brain child of the Mother, whose inhabitants are drawn from all parts of the world is situated on the outskirts of the city. There are several temples, churches, monuments, parks and mosques which attract tourists. Promenade Beach is the popular stretch of beachfront in the city of Puducherry, along the Bay of Bengal. It is a 1.2-km long stretch in Pondicherry, starts from War Memorial and end at Duplex Park on the Goubert Avenue. The beach at Chunnambar also known as Plage Paradiso or 'Paradise Beach' is located near the mouth of the backwater.

National Symposium on Recent Advances in Chemistry (NSRAC)

February 18-19, 2020
Convention-cum-Cultural Complex

Sponsored by
UGC-SAP (DSA-I) &
Pondicherry University

Organized by
Department of Chemistry
Pondicherry University
Puducherry – 605 014
INDIA
www.nsrac2020pu.com

Patron

Prof. Gurmeet Singh

Vice-Chancellor

Pondicherry University

Chairman

Prof. R. Venkatesan

Head, Department of Chemistry

Organizers

Dr. R. Padmanaban, *Convener*

Dr. S. Sabiah, *Secretary*

Dr. Toka Swu, *Treasurer*

Organizing Committee Members

Prof. Bidhu Bhusan Das

Prof. K. Anbalagan

Prof. K. Tharanikkarasu

Prof. Bala. Manimaran

Prof. C. Sivasankar

Prof. M. Bakthadoss

Dr. G. Vasuki

Dr. N. Dastagiri Reddy

Dr. M. M. Balakrishnarajan

Dr. C. R. Ramanathan

Dr. Binoy Krishna Saha

Dr. J. Kamalraja (DST-INSPIRE)

Dr. V. Sujatha (DST-Mobility Fellow)

About the Symposium

It is 3rd series of our national symposium which will cover a wide range of discussions about all areas in Chemistry and also interdisciplinary research bridging physics, biology and applied sciences.

- Organic Synthesis, Reagents & Catalysts
- Organometallics
- Bio-Inorganic
- Green Chemistry
- Catalysis
- Electrochemistry
- Medicinal Chemistry
- Supramolecular chemistry
- Nanomaterials
- Solid State Chemistry
- Crystallography
- Polymer Chemistry
- Reaction and Mechanism
- Theoretical & Computational Chemistry
- Renewable Energy & Energy Storage

Abstract for Presentation

The scientific sessions of the meeting will have Plenary lectures, Invited lectures by the eminent scientists from our country followed by the oral presentations by the research associates/ scholars. The poster presentations have also been arranged in order to have more fruitful discussions.

Abstract should be typed in MS Word, Times New Roman, 12 font-size and 1.5 line spacing with the title (bold), name and address of the author(s) and references. The author presenting the paper should be underlined.

Registration Details

Registration fee can be paid through online in favor of

**The Head of Department,
Department of Chemistry
Indian Bank
Pondicherry University Branch**

**A/c No : 6056113438,
IFSC Code: IDIB000P152**

Graduate Students : Rs. 300/-

Research Scholars : Rs. 800/-

Academic /Faculty : Rs. 1500/-

Industry Persons : Rs. 2500/-

The participants are requested to send one-page abstract in the prescribed format along with the registration form to the e-mail id given below.

Important Dates

Last date of Registration: **17.01.2020**

Last date of Abstract Submission: **30.01.2020**
