Sir/Madam,

As you must be aware that Consortium for Educational Communication (CEC) is an autonomous body under UGC to facilitate the design and distribution of educational programmes through Information and Communication Technology (ICT). CEC is a rich source of educational content for every university, college, educator and learner in India which is freely available through multiple platforms like websites and television. Please note that all these programmes are free of cost. A brief on such educational content which is of high learning utility is given below.
