30TH CARBOHYDRATE CONFERENCE

CONFERENCE THEME:

Carbohydrates: Chemistry, Biology & Applications as Green Building-Blocks for Bulk Chemicals, Fuels and Advanced Materials

Second Circular

ORGANIZED BY:

Department of Chemistry
Pondicherry University, Pondicherry - 605 014
and
Association of Carbohydrate Chemists &
Technologists (India), ACCT (I)

December 29 – 31, 2015

Chief Patrons

- Vice-Chancellor, Pondicherry University
- Director General, CSIR, NEW Delhi
- Director General, ICMR, NEW Delhi
- Chairman, UGC, New Delhi
- Secretary, DST, New Delhi
- Secretary, DBT, New Delhi

Patrons

- Dr. P. L. Soni, Editor-in-Chief, Trends in Carbohydrates Research, India.
- Mr. Uday Merchant, CMD, Lucid Colloids Ltd., Mumbai, India
- Mr. Purshottam K. Hissaria, Sunita Hydrocolloids Pvt. Ltd., Jodhpur, India
- Dr. Asoke Deysarkar, Industrial Guar Products, IGP, Houston, USA
- Mr. Rohit Gupta, Herbex India Pvt. Ltd., Karnal, India

Advisory Board Members

Dr. Amit Bhatt, Maya institute, Dehra Dun
Prof. J. J.-Barbero, CIB-CSIC, Madrid, Spain
Prof. B.P. Chatterjee, WBUT, Kolkata
Prof. G.S. Chauhan, HP University, Shimla
Prof. Xi Chen, University of California-Davis, USA
Prof. Rob Field, NRP, Norwich, UK
Prof. Richard Gross, PINY University, USA
Prof. Otto Holst, Borstel Research Center, Germany
Prof. S. S. Islam, Vidyasagar University, Midnapore
Prof. K.P.R. Kartha, NIPER, Mohali
Dr. Kanwaljeet Kaur, NII, New Delhi
Prof. N. K. Khare, University of Lucknow, Lucknow
Prof. Christophe Len, UTC, France
Prof. T. L. Lowary, The University of Alberta, Canada
Prof. N.K. Mathur, Jodhpur University Jodhpur
Dr. R.M. Mathur CPPRI, Saharanpur
Prof. D.S. Negi, HNB Garhwal University, Srinagar

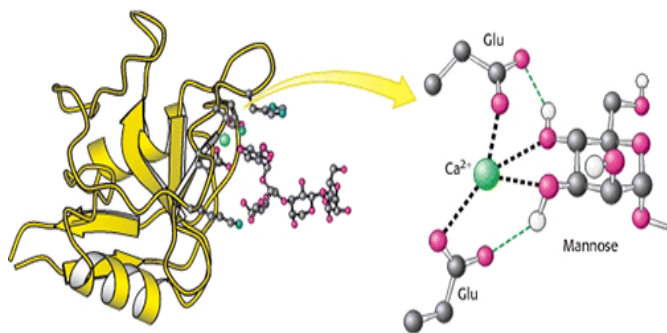

Prof. Y.S. Negi, IIT, Roorkee
Prof. Ashok Pandey, NIIST, Trivandrum
Prof. Tanmaya Pathak, IIT, Kharagpur
Prof. Ashok K. Prasad, University of Delhi, Delhi
Prof. C. P. Rao, IIT, Bombay
Dr. P.V. Salimath, CFTRI, Mysore
Dr. R. S. Sangwan, CIAB, Mohali
Prof. R.R.Schmidt, University of Konstanz, Germany
Dr. Asish Kumar Sen, IICB, Kolkata
Prof. Vasudev Singh, Mysore University, Mysore
Prof. Vinod K. Tiwari, BHU, Varanasi
Prof. J. Thiem, University of Hamburg, Germany
Dr. R.P. Tripathi, CDRI, Lucknow
Prof. H. C. Trivedi, SVNIT, Surat
Dr. A. J. Varma, NCL, Pune
Dr. V. Varshney, FRI, Dehra Dun, Uttarakhand
Prof. Ram Vishwakarma, IIIM, Jammu

SCIENTIFIC TOPICS

- Carbohydrate Synthesis and Chemical Biology
- Biosynthetic Carbohydrates: Process & Technology
- Carbohydrate-based Foods, Nutraceuticals and other Materials
- Synthesis and Applications of Carbohydrate Conjugates
- Glyco-Pharmacology and Glyco-Therapeutics
- Processing of Carbohydrates
- Carbohydrate-based Industries
- Bacterial Polysaccharides
- Computational Simulations
- Enzymes involved in carbohydrate metabolism
- Protein-Carbohydrate Interactions
- Signal Transduction in Plants

CONFERENCE THEME

Carbohydrates: Chemistry, Biology & Applications as Green Building-Blocks for Bulk Chemicals, Fuels and Advanced Materials

Structure of a C-Type Carbohydrate-Binding Domain

WELCOME TO CARBO-XXX

Department of Chemistry, Pondicherry University and Association of Carbohydrate Chemists & Technologists (India) (ACCT (I)) jointly announce the 30th Carbohydrate Conference (CARBO-XXX), which will be held on December 29-31, 2015 at Pondicherry University, Pondicherry. The Carbohydrate Conference is one of the most important events annually organized under the auspices of the ACCT (I). For 30th annual event, we welcome you all to Pondicherry.

The CARBO-XXX will encompass recent developments in all areas of carbohydrates. Some of the important scientific topics are listed in the side bar. The Conference will bring together both established and emerging scientists, technologist and industrialist to serve as a forum for discussions on progress in all major areas of carbohydrates.

AWARDS DURING CARBO-XXX

During the conference, life time achievement award, excellence in carbohydrate research award, award for best paper published in ACCTI journal, "Trends in carbohydrates research", in the issues 1 to 4 of Volume 6 (2014), G.C. Merchant memorial award and H. C. Srivastava memorial award will be conferred. In addition, young scientist award and ACCT(I) best thesis award will also be conferred during the conference. From CARBO-XXX onwards, Prof. Nirmolendu Roy award also will be conferred. For further details please visit: <http://www.accti.in>. Young scientist awards will be chosen by a panel of judges through two stage screening involving poster presentation (first screening) followed by oral presentation (final screening) during CARBO-XXX. Hence, all researchers who are going to present their posters are requested to come prepared for oral presentation also.

How to Register: Those who are interested to participate the conference can register their name using the registration form given in the next page or it can be downloaded URL mentioned at the end of this page. Kindly send the filled registration form along with DD/cheque and abstract to the “The Organizing Secretary, CARBO-XXX” either by post or through e-mail: carbo30pu@gmail.com. Kindly draw DD/cheque in favor of **Organizing Secretary, CARBO-XXX** payable at Pondicherry. Payment can also be made through internet banking using the details given below.

Account Name :

Organizing Secretary, CARBO—XXX

Bank :

Department of Chemistry, Pondicherry University

The Department of Chemistry, Pondicherry University was established in 1987 and since then has been doing path-breaking research work in the contemporary chemistry. Major thrust areas of the Department include Organic Synthesis, Catalysis, Advanced Materials, Theoretical Chemistry and Magnetic Resonance. The Department has been recognized for special funding by UGC (SAP-DSA) and DST (FIST).

The Department offers Post-graduate programs in Chemistry including M.Sc. (2 year), M.Sc. (5 yr. integ.) and Ph.D. Success of a large number of post graduate students in national tests, UGC-CSIR and GATE bear testimony to quality teaching in the Department.

Pondicherry

Puducherry is situated on the Coromandal Coast, 160 KM south of Chennai. It was ruled by France during the colonial period. It still carries several marks of French culture and heritage. Some of the important landmarks of Pondicherry were captured in the OSCAR awarded movie, *LIFE OF PI*. Auroville, Manakula Vinayagar Temple, Paradise Beach, Seaside Promenade, French War Memorial, Chunnambar Boat House, Scuba & Snorkeling are some of the tourist attractions in and around Pondicherry.

Pondicherry University

Pondicherry University is the fastest growing central university crossing growth mark of 300 % during the last four years. With sprawling campus of 780 acres, it caters to more than 5000 students representing 33 states of the country and abroad, and over 450 highly qualified faculty members from across the country. The University has three campuses. The Main campus is located at Puducherry and the other two off-campuses at Karaikal and Port Blair. The Wi-Fi-enabled vibrant main campus is just 12 kms. away from the Puducherry town. There are over 45,000 students in its 87 affiliated colleges.

How to reach Pondicherry University

The Pondicherry University is located at about 165 km south of Chennai metropolitan city. It is well-connected by road and rail. A small aerodrome exists in Pondicherry city which is connected only to Bangalore through Air India flight. Pondicherry aerodrome is about 12 KMs away from the University.

Pondicherry University is situated on the Chennai-Puducherry East Coast Road (ECR) where buses ply frequently from Chennai to Puducherry on the ECR route and stop readily on request, at the University Gate. From Chennai, this is the most convenient route to reach the University. We plan to ply car for free pick-up service from Chennai airport if the delegates inform the organizing committee in advance.

From other southern towns and cities like Bengaluru, Tiruchirappalli, Madurai, Coimbatore, Trivandrum by road/rail, one should get down at Puducherry Bus Stand /Railway Station. By train, one has to get down at Puducherry Railway Station and reach Bus Stand in order to catch a town bus to reach Pondicherry University.

The Pondicherry University is located at about 11 Kms north of Puducherry Bus Stand and can be reached by town bus. The travelling time is about 30 minutes and the bus fare is Rs.6/-. Auto rickshaws are also available from Puducherry Town and may charge about Rs.150/- for drop at the University.

Pondicherry Weather during December

The December is usually quite pleasing in Pondicherry as the minimum temperature drops to 17°C, and this is considered as an ideal time to enjoy sightseeing, beach activities and water sports. The maximum temperature may go up to 25 °C.

Transportation and Accommodation

The registration fees does not include transportation and accommodation. But, free pick-up from Chennai airport and Pondicherry airport is available on advanced request. Kindly book your accommodation in advance using the list given below as year end bookings will be difficult to get rooms in Pondicherry.
