

PONDICHERRY UNIVERSITY
(A Central University)
School Of Management
Department of Management Studies

**A Five-day National Level Workshop on
'Econometric Tools for Business
Research'**

Date: 2nd to 6th of July, 2018

Venue: Lecture Hall Complex,
School of Management, Pondicherry University.

About Pondicherry University

A Central University, established through an Act of Parliament in 1985. The campus is covered over 780 acres of land with lush green tropical vegetation and its entire campus in Wi-Fi enabled. It has about 5000 students representing 33 states of the country and abroad and over 450 highly qualified faculty from across the country. It has the state of the art library with remote access to over 31000 digital information resource through a dedicated library portal. Pondicherry University was the first university to adopt the CBCS and semester system which easily facilitates the mobility of the students with credit transfer both in India and abroad. The university is growing with a cardinal principle of expansion with excellence and equity remains connected globally. More than 27 MOUs have been signed with National Institutions and International Universities for exchange of faculty and students.

About the Department of Management Studies

The Department of Management Studies (DMS) bears the sole pride of establishing the first management programme in Pondicherry. Since its inception in 1986, it has been catering to the needs of aspiring management and research students with highly competent team of faculty members. The department has published many research articles in leading national and international journals.

DMS serves as a boom to the ardent students who have the striving thrust to learn and practice management. Also the lush green environment in the university provides pleasant ambience for the students to relish every moment of the learning experience. DMS functions as university department with unique importance. The department has been rated high by rating agencies such as NAAC, Star News, Indian Express, CSR-GHRD etc.

About the Programme

- This five-day national level workshop is aimed at providing researchers, academicians and industry delegates with a comprehensive learning of econometric tools and report writing in business research. The workshop modules are designed in such a way which would enable the participants to gather practical training using live data.
- The course is designed to provide hands on experience in econometric tools and techniques that can be used for data driven decision-making using real case studies.
- The program will be a mix of theory lecture (10%), introduction of case studies (10%) and hands on training experience (60%) on relevant software and result discussions (20%) for decision making.

Topics to be Covered

- Unit Root test
- Autoregressive Integrated Moving Average (ARIMA) model, Seasonal ARIMA
- Auto Regressive Conditional Heteroscedasticity (ARCH)
- Generalized Auto Regressive Conditional Heteroscedasticity (GARCH), e-GARCH, t-GARCH, m-GARCH
- Vector Auto Regression (VAR), Impulse Response, Variance Decomposition, S-VAR
- Vector Error Correction Model (VECM)
- Error Correction Model (ECM)
- Co-integration
- Generalized Method of Moments (GMM)
- Panel Data Analysis
- Regime switching
- Granger Causality
- Autoregressive Distributed Lag Models (ADRL)
