I invite kind attention to the references cited.

2) As you are aware that Tamil Nadu being a disaster prone state Commissionerate of Revenue Administration and TNDRRRA are the responsible agencies to formulate policies, plans and guidelines for Disaster management along with National Disaster Management Authority (NDMA). In this context, Tamil Nadu Disaster Risk Reduction Agency (TNDRRRA) has intended to map the experts available in the field of Disaster Management.

3) As volunteers and administrative officials in the respective districts are the first responders in any major disaster, capacity building and public awareness are major thrust areas. In our endeavour spread awareness and capacity building of volunteers and administrative officials across all districts of Tamil Nadu, we are focused to map Disaster Management experts who will be called upon for training field level officials in the various districts.

4) In this regard, I kindly request you fill the details in the enclosed format of the Faculty member/Lecturers conversant with the subject to offer inputs in the following key areas:

- Modelling and forecasting of Climate change,
- Sustainable coastal zone management,
- Geospatial technology and its uses for monitoring and analysis,
- Earthquake resistant architecture,
- Hazard vulnerability zonation,
- Community based Disaster Risk Reduction(CBDRR),
- Public health and epidemiology,
- Livestock management,
- Rescue and Relief components and Humanitarian cluster approach.

5) I kindly request the Educational institution to send the updated CV (as per the enclosed format) of the experts in the field of Disaster Risk Reduction (DRR) **latest by 12<sup>th</sup> October 2018.**

6) Looking forward to your valuable contribution and suggestions to make Tamil Nadu a Disaster Resilient State.

Yours faithfully,  
**Sd/-Rajendra Ratnoo,**  
Commissioner,  
Disaster Management.

Assistant Commissioner(DMR)  
for Commissioner,  
Disaster Management.
