### CIRCULAR

A large number of sponsored Research Projects have been sanctioned to the faculty members of our University. This shows enthusiasm and commitment of our faculty members towards advancing the academic frontiers. Efficient and successful implementation of research projects requires familiarity with rules and regulations governing appointment of staff (JRF, Project Fellow, etc.), purchase of equipment, travel, preparation of utilization certificates, etc. Towards this objective, a workshop on **“Implementation of Research Projects”** for the benefit of our faculty members is scheduled at **9.30 am** on Friday, 26<sup>th</sup> April, 2013. This workshop is mainly intended for those faculty members who have been awarded Research Projects for the first time and also for those who wish to familiarize themselves on administrative aspects of project implementation process. Those who are interested may forward Registration Form (enclosed), duly filled in all respects, **on or before 19<sup>th</sup> April 2013** to the Director of Research, Pondicherry University for further action.
