Trial Access to Emerald Expert Briefings

This is to inform you that Trial access to e-resource 'Emerald Expert Briefings' has been activated till 15th May 2020.

Expert Briefings, powered by Oxford Analytica, is an impartial and actionable analysis of global emerging trends and developments. They are responses to macro-economic and geopolitical events, prepared for global political and business leaders to help them understand the implications. The briefs are prepared by a network of over 1,500 expert academics in the field and edited in the UK by a team of expert analysts in Oxford. It has current archive of 20,000+ Expert Briefings dating back to 2015. A historical record allows students and researchers to position their research work in a real-world context.
