PU/F. CGET blg. Inauguration – cleaning work/13-14/

Dt: 11.02.2014.

NOTICE INVITING TENDER / QUOTATION

Sir,

Sub: PU – Hort – New building for Green Energy Technology – Cleaning work around the new building – Estimate requested – Reg.

As it is proposed to attend jungle bushes cleaning works immediately around the new building for Green Energy Technology building site in the University Campus, it is requested that necessary estimate for completing the works as detailed below may be furnished to this department in a sealed cover **on or before 17.02.2014** up to **05.30 P.M.**

- i. Attending the work of jungle bushes and crown cleaning work of palm trees and other trees in the **front portion**.
- ii. Attending the work of dried trees cutting and trimming of low lying branches of remaining live trees & crown cleaning of Palmyrah trees in the rear side.
- iii. Attending the work of pruning the excess growth & removal of unwanted branches of the existing trees and removal of dried trees in the **OTS area**.
- iv. Attending the work of bamboo trees pruning and removal of low lying branches in the SBG Ring road and approach road to the new building.

The area may be inspected before applying for tender to ascertain the nature /quantum of works to be carried out. The work should be completed within a week period from the date of work order.

For any further clarifications and work details etc., the Horticulturist may be contacted during office hours.

R.V. Nagar,
11.02.2014.

HORTICULTURIST.
