IEEE Workshop on Driving Innovation and Research

Ananda Rangapillai Library, Pondicherry University organizes **'IEEE Workshop on Driving Innovation and Research'** for the Faculty, Scholars and Students of Pondicherry University on **Wednesday, 4rd March 2020 at 3.00 p.m.** The workshop will offer valuable guidance on how the IEEE publishing process works. The session will also highlight on how IEEE Xplore Digital Library can add value for Faculty, Scholars and Students during their study/career.

The objective of the workshop is to enhance the ability of authors to get their research published and share with scholarly community. The workshop will also provide training on how Faculty, Scholars and Students can find resources from the IEEE Xplore if they are looking for project ideas, higher education, PG/Ph.D admissions, lifelong learning, authoring papers, subject matter experts in an area, enhancing classroom sessions, placement support, etc.

KEY TAKEAWAYS

- Better understanding about the IEEE review process.
- Avoiding some of the common mistakes while writing a research paper.
- Concepts of ethics and type of academic misconducts.
- How to explore IEEE Xplore Digital Library, etc.
- Insights into expectations from the reviewers and the editors.
- Reasons for rejection of articles by editors.
- IEEE support provides during the publication process.
