*Organized by*

**Patent Facilitation Cell (PFC)  
Pondicherry University**

## BACKGROUND

Pondicherry University has grown manifold since started in the year 1985. Presently Pondicherry University has 15 Schools, 39 Departments, 9 Centers. Pondicherry University offers Ph.D. programme in 51 disciplines, M.Tech. in 7 disciplines and postgraduate programme in 59 disciplines. There are about 6552 students on roll in the year 2015 with 371 faculty members. The academic research work of Pondicherry University faculties has been commendable with 3735 publications with cumulative h-index of 61. The booming research and innovative teaching culture of the university necessitates to proactively explore and bring to light the treasure of Intellectual Property Rights (IPR) that can benefit the faculty and the University.

In this direction, University has constituted a Patent Facilitation Cell (PFC) to enable and guide patent filing by the stakeholders of the University and to take necessary step to promote the IPR culture in campus. PFC has drafted the proposed IPR policy for the University and the same has been circulated among the faculty members, staff and scholars for seeking feedback and suggestions for finalization. In this background, to develop awareness among young research students, scholars, staffs, faculty members and administrative officers, one day "Awareness workshop on IPR" has been arranged. Experts from IPR fields have been solicited to deliver thematic talks to take us through the world of IPR.
