

Subject: Student Competition Announcement: IndiaGlocal - Young Leaders Programme

IndiaGlocal, India's Glocalization Partner is a Global Trade Development Platform with focus on promoting Indian MSMEs in international markets.

We have announced [IndiaGlocal - Young Leaders Programme](#) for Indian and PIO students enrolled in undergraduate or higher courses to discover and nurture next generation glocal business leaders.

It is a 12 month curated programme, in which 17 students will be selected from across India and overseas to be groomed in to business leaders through skill development and live project exposure. As a Young Leader, the selected students will work closely with business leaders from various domains in India and overseas to gain understanding of the global business ecosystem.

It is a completely free programme for students and the selection is through a competitive application process.

We invite the students of your esteemed institution to participate in the application process. More details and application can be found here: <https://indiaglocal.com/young-leaders>

The last date to apply is on 20th July 2020.
