Subject: Invitation for participation at the Youth Parliament of India 2019

Dear Sir,

Greetings from Karnavati University & Heal the World Foundation, the CSR wing of Karnavati University.

We are organizing the second edition of Youth Parliament of India on 23rd and 24th November 2019, Saturday and Sunday.

On behalf of the Youth Parliament of India, it is my pleasure to invite your esteemed University to nominate 5 students to visit the Youth Parliament of India.

Of these 5 students, 2 students shall participate in the 'selection process' that would be conducted for selection of finalists who shall speak on the dais on the day of the event.

We shall bear the to-and-fro train travel expenses (as per the Karnavati University's norms) of these 5 students. For their accommodation, we shall assist them with lodging options near the venue.

This would be an excellent opportunity for the students to gain an unparalleled exposure in public speaking and presenting their views and opinions on subjects that connect with us in daily life before the august presence of the respected law makers and policy makers of the nation.

The Youth Parliament of India is centered on further strengthening the roots of democracy, tolerance of the views of others and to enable the student to engage in dialogues and discussions.

Event highlights of the first edition of Youth Parliament of India can be viewed at, https://www.youtube.com/watch?v=nPJPdV_317Y

We are expecting over 2,000 students from colleges, universities and institutions all over India to participate in these sessions.

This initiative is to encourage Students to participate and compliment the Academic initiative undertaken by the Karnavati University. Participation details are mentioned below in the attached Annexure-1.

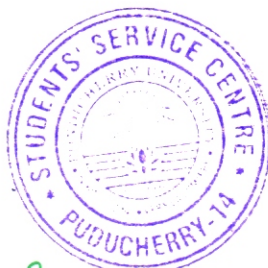

We are really looking forward to your esteemed University's presence and participation.

Yours Faithfully,

Parth
