I wish to bring to your kind notice that, **it is mandatory to submit the information from our university to MHRD before the closing date of online uploading facility to MHRD-AISHE website. If we are failed to upload the data before the due date, then MHRD will deny the access to upload. If your department's details or the faculty details of your department were not provided before that date, I may be forced to submit the nil report to such departments as well as faculty members.
