

# Multivariate Statistics Made Simple: A Practical Approach

1st Edition

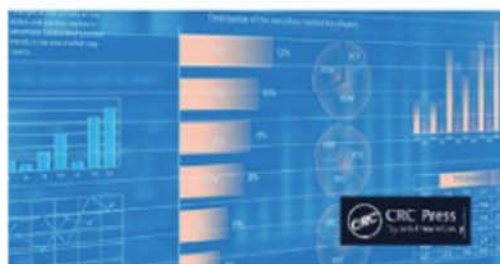

K V S Sarma, R Vishnu Vardhan

## MULTIVARIATE STATISTICS MADE SIMPLE

A PRACTICAL APPROACH

K V S Sarma and R Vishnu Vardhan

## Table of Contents

Multivariate Statistical Analysis - An Overview. Comparison of Multivariate Means. Comparison of Multivariate Means. Analysis of Variance with Multiple Factors. Multivariate Analysis of Variance (MANOVA). Analysis of Repeated Measures Data. Multiple Linear Regression Analysis. Classification Problems in Medical Diagnosis. Binary Classification with Linear Discriminant Analysis. Logistic Regression for Binary Classification. Survival Analysis and Cox Regression. Poisson Regression Analysis. Cluster Analysis and its applications.
