Pondicherry University is located in a campus spread over 780 acres (320 ha), facing the Bay of Bengal on the East Coast Road.

About Department

The Department of Chemistry started in the year 1987, offers 2 year M.Sc. (Chemical Sciences), 5 year Integrated M.Sc., (Chemistry) and Ph.D. programs. The Department of Chemistry is well equipped to support high quality teaching and international standard research activities. The Department has highly qualified faculty members to conduct research in forefront areas of Chemistry. Research output is recognized by publications in International and National journals and by awards. There are about 75 Ph.D. scholars engaged in research activities. The Department is supported by the DST, Govt. of India through FIST program and by the UGC SAP (DRS) programs to achieve academic potentials

About the Conference

The seminar includes a wide range of discussion about all areas of Chemistry including

- Organic Synthesis
- Organometallics
- Catalysis
- Bio-Inorganic
- Electrochemistry
- Drug Design & Discovery
- Crystallography
- Reaction and Mechanisms
- Supramolecular Chemistry
- Nanomaterials
- Green Chemistry
- Polymer Chemistry
- Theoretical Chemistry

It includes invited talk from eminent persons, oral & poster presentation.

Important Dates

Last date for registration : 25.02.2019
Last date for abstract submission (oral & poster) : 25.02.2019

About Pondicherry

Puducherry is one of the most popular tourist spots for national and international tourists. A unique experimental city Auroville, the brain child of the Mother, whose inhabitants are drawn from all parts of the world is situated on the outskirts of the city. There are several temples, churches, monuments, parks and mosques which attract tourists. Promenade Beach is the popular stretch of beachfront in the city of Puducherry, along the Bay of Bengal. It is a 1.2-km long stretch in Pondicherry, starts from War Memorial and end at Dupleix Park on the Goubert Avenue. The beach at Chunnambar also known as Plage Paradiso or 'Paradise Beach' is located near the mouth of the backwater.
