

# 5 HOURS ONLINE COURSE ON CYBER SECURITY FOR GIRLS

**FREE** course  
offered by the Department of Information Technology,  
Government of India

Information Security Education and Awareness (ISEA) Project of the Department of Information Technology, Government of India is offering a free online course, “CyberSafeGirl 2.0”, on Cyber Security. With 24 lectures, through carefully curated videos mostly from global television companies, this course aims to deliver the following learning outcomes: 1. Learn about Cyber Bullying. 2. Better knowledge and awareness. You will be able to protect your young and dear one’s life. 3. Learn ways how to handle in case you have been cyber attacked – Whom to contact and What should be your first step.
