End semester Examinations for affiliated Colleges
“Open Book Examination”

In order to ensure fair and equal opportunity for students appearing in online/offline/blended mode; it has been decided to conduct end semester examinations under the “Open Book Examination” mode as per UGC guidelines on Examinations and Academic Calendar issued in the month of April 2020. Students are allowed to refer books/notes and other study materials to answer the questions; answers should reflect their understanding of the concept not verbatim copying from sources. The chief superintendents are expected to ensure that the reference materials are not exchanged between students to avoid COVID infection.

All other conditions like duration of examinations; pattern of question papers remains the same. Students should answer in A4 white sheets with black ink. The scanned papers are to be sent to the respective Colleges within 30 minutes after the scheduled time of examinations. All pages written are to be scanned and saved sequentially in a single file (PDF format). Students should write their registration number, subject, course, date and full signature on the first page and answers should start from the second page.
