

**Pondicherry University OSA Student Chapter
organizes on 31st January 2014**

Workshop on “Fundamental Optics and Photonics” (FOP)

Department of Physics, Pondicherry University, Puducherry, India

ORGANIZING COMMITTEE

K. Nithyanandan	President
M. Ashok Kumar	Vice-President
Srinivasa Rao Allam	Secretary
N P Anusha	Jt. Secretary
E. Jayaprasath	Treasurer
Chitra Shaji	Jt .Treasurer

Giridhar Chakravarthy PRO

ADVISORY MEMBERS

Prof. G. Chandrasekaran	The Head, Dept. of Physics
Dr. S. Sivaprakasam	Faculty Advisor OSA - SC

Theme of the workshop

The workshop is planned with a view point of providing a handful of knowledge about the Optics Science to the non-specialist of Optics. As we all know the light is a part of our life and understanding the basic idea about the light is an ultimate curiosity of many of us. The OSA student chapter as a part of their PULSE (Pondicherry University Light Science Education) program would like to provide a unique platform for such an aspirants to learn about Optics.

Scope of the workshop

- *Have you ever been amazed by the beauty of color? The colorful rainbow?*
- *Have you ever wondered the scenic sunrise and sunset? The color of sky and ocean?*
- *Are you aware of the changes the photonics have done to the modern world?*
- *Do you know the capability of optical fiber, which is of the width of human hair?*

Let's come to the world of colors; the optics community of Pondicherry University powered by Optical Society of America (OSA) student chapter will join you to a trip to the exciting world of Optics and Photonics.

About OSA – The Optical Society

Founded in 1916, The Optical Society of America (OSA) is the leading professional association in optics and photonics, home to accomplished science, engineering, and business leaders from all over the world. OSA provides quality information and inspiring interactions that power achievements in the science of light.

About Pondicherry University OSA Student chapter

The Pondicherry University student chapter of OSA is an officially recognized student chapter of the OSA and duly recognized by the Pondicherry University. We are a student organization primarily for the dissemination of the knowledge of optical science among the local community.

Who can apply

The workshop is restricted to the non-specialist of optics from the science departments of Pondicherry University. The workshop is limited to 50 participants and the priority is given to the research scholars of science discipline; interested M.Sc students can also apply with a clear description about the need and the benefit of participation.

Registration..... No fee!!... Hurry Up Important Dates

The workshop is absolutely with NO ENTRY FEE. We have limited seats, hurry up and grab your wonderful opportunity to a journey to the world of optics. The registration can be made online through the OSA student chapter website (<http://pu.osahost.org/fop>). The registration includes the participation to lectures, hands on workshop, conference kits, high tea, lunch and participation certificate.

** The selected participants will be intimated through email by 29th January, 2014.

First Announcement	: Jan' 09, 2014
Registration begins**	: Jan' 10, 2014
Registration closes	: Jan' 28, 2014
Intimation about selection	: Jan' 29, 2014
Event Date	: Jan' 31, 2014
