5, Lajpatrai Road, Allahabad - 211002

**Professor S.L. Srivastava**

*D.Phil, F.I.E.T.E., F.N.A.Sc.*

**Coordinator,**  
Science Communication Programme

December 10, 2014

*To Dr. H. K. ...  
...  
...*

**Subject: Request to enthuse the students of B.Sc./B.Tech. of your region to participate in the National Level Scientific Writing Contest on "25 Years of Advancements in Science for Nation Building".**

As you know, the Academy organizes several Science Communication Activities to generate scientific temperament among the students and general mass. Recently, we have started a National Level Scientific Writing Contest for the Indian students of B.Sc./B.Tech./M.B.B.S./B.U.M.S./B.A.S.M.

This year, the topic for the Scientific Writing Contest is **"25 Years of Advancements in Science for Nation Building"**.

I request you to kindly circulate the enclosed announcement (Annexure-I) among as much students as possible; and enthuse them to participate in the contest.

Thanking you and with regards,

Yours truly

*S.L. Srivastava*

**(S.L. Srivastava)**

*This is meant for students who are doing Integrated M.Sc upto Third year. B.Sc in affiliated Institutions here it may be placed in University web circular/notice for all the students benefit*

P.T.O.

**Dr.G.CHANDRASEKARAN**  
PROFESSOR & HEAD  
DEPARTMENT OF PHYSICS,  
PONDICHERRY UNIVERSITY

## THE NATIONAL ACADEMY OF SCIENCES, INDIA

5, Lajpatrai Road, Allahabad-211002, India

### National Level Scientific Writing Contest

The National Academy of Sciences, India invites entries (scientific write-up on "**25 Years of Advancements in Science for Nation Building**") from the students of B.Sc./B.Tech./M.B.B.S./B.U.M.S./B.A.S.M. of Indian Universities by **January 20, 2015** for evaluation and further participation (for selected entries/write-up only) in On the Spot Contest to be held on February 26, 2015 at The National Academy of Sciences, India, 5 Lajpatrai Road, Allahabad. The idea behind is to generate scientific temperament among the students and also make them aware about the current scientific and environmental issues. The Rules for Entries/Scientific Write-up on "**25 Years of Advancements in Science for Nation Building**" has been given below :

#### Rules for National Level Scientific Writing Contest

1. Topic for the Scientific Writing Contest is "**25 Years of Advancements in Science for Nation Building**".
2. The Write-up should be either in English or in Hindi; entries be precise and confined to 3000 words only.
3. It should be neatly typed with double space on A4 size paper.
4. Proper attention must be paid on Syntax and Grammar.
5. The participants are requested to write an "Abstract" in the beginning of the write-up in approximately 150 words.
6. It would be appreciated if the participants cite the references (if any) in the end of the text, which would not be counted in 3000 words.
7. The participants must write their University/College and Home Addresses along with their telephone number(s) and email I.D. in the end of the write-up.
8. The write-up prepared as per above guidelines be sent to the Office of the National Academy of Sciences, India by **January 20, 2015** on the address given below\* through proper channel (duly forwarded by the Head of the concerned Department/Institution).
9. 5 best Scientific Write-ups will be selected from entries received in the Academy. The selected students will be invited to participate in "On the Spot Contest" on February 26, 2015 at Allahabad. The participants will have to write on a related topic in 3 hours.
10. Out of these five contestants, finally three would be given **cash awards** on National Science Day (28th February 2015); and the rest would be given the participation certificates.
11. The Academy will bear the travel expenses (second class train fare) of these five students; and modest arrangement of their stay at Allahabad during these days (26-28, February, 2015) will also be made by the Academy.
