#### **Recruitment of Project Fellow in the DST-Inspire Faculty Project at the Centre for Nanoscience and Technology, Pondicherry University.**

Applications are invited from eligible candidates for position of Project Fellow in the DST funded project titled “Graphene and its Related Materials for Energy and Environmental Applications” at the Centre for Nanoscience and Technology, Pondicherry University. The tenure is initial for one year and can be extendable up to maximum 2 years or till the termination of project or till fund availability. The position is purely temporary and co-terminus with the project.

Interest candidate may send their complete bio-data contains, date of birth, e-mail ID, mobile number details, supported copies of mark sheets and relevant certificates, and any relevant publications if any. Application can be sent by both email (**vijayaemlab@gmail.com**) and postal. Only the short listed candidate will be intimated and called for an interview via email at Pondicherry University, Pondicherry.

#### **Position Available: Project Fellow (One)**

**Eligibility:** Candidates must have M.Sc. in Physics / Material Science / Chemistry / Nanoscience or M.Tech in Material science / Nanotechnology / Green Energy with at least 55% marks or equivalent CGPA. **Age Limit:** 28 years. **Desirable:** Research experience in synthesis of nanomaterial and graphene related materials. **Stipend:** Rs. 14,000/- per month (Consolidated). The competent authority may select candidates in the lower position against the above post, subject to approval. At present, there is no opportunity for registering Ph.D. degree under this project. For any query, the candidates may contact Dr. K. Vijayarangamuthu.

**Last Date for application: 12 – 06– 2019 (5:00 PM)**

#### **Address for sending the application:**

The envelope containing the application must be superscribed “**Application for the post of JRF in DST-Inspire faculty project**”.
