Reflections 2019

In association with

Astronomy Club of Pondicherry university (ACPU)

Organises Student Seminar Series

1. "Exoplanets and the search for extra-terrestrial life"

Speaker: Mr. K Karthik

1st year M.Sc. applied Geology

"With many earth like planets being discovered in the past couple of decades, are we ever more close to finding life elsewhere in the universe? How exactly did we find these 'exoplanets' and what could this probably mean for humankind?"

2. Video Screening of "2015: the year of Pluto"

"New horizons is the first mission to the Kuiper belt, a gigantic zone of icy bodies and mysterious small objects orbiting beyond Neptune. The year of Pluto- NASA New Horizons is a one-hour documentary which takes on the hard science and gives us answers to how the mission came about and why it matters."

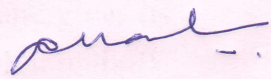

Date and time: 8th February 2019, 6 PM

Venue: Raman Seminar Hall, Department of Physics
