About Pondicherry University

Pondicherry University was established in October 1985 by the Government of India through an Act of Parliament. Being a Central University it is fully supported by the University Grants Commission. The campus is spread over 780 acres of land some of which is rolling down to the sea beach. Besides having on campus teaching and research at Post Graduate level, it is also an affiliating University with several colleges. The university is a member of the Association of Common Wealth Universities and has signed Memorandum of Understanding with several foreign Universities / Institutes.

Department of Social Work

Department of Social Work was established in October 2007 with the support of the University Grants Commission (UGC). The first batch of Master of Social Work (MSW) degree students were admitted during 2007-08 academic year from different parts of our country. Pondicherry University has been expanding continuously in terms of new educational programmes such as MSW programme with the aim of developing competent Social Work Professionals which is a combination of a strong theoretical foundation with a unique and sound practical experience.

About RGNIYD

Rajiv Gandhi National Institute of Youth Development (RGNIYD) is an Institute of National Importance by an Act of Parliament No.35/2012, Ministry of Skill Development, Entrepreneurship, Youth Affairs & Sports, Government of India.

The Institute is located at Sriperumbudur, nearly 40 kilometers south of Chennai city, the commercial and cultural capital and a buoyant metropolis of Tamilnadu, the third most industrialized States in India.

In view of fulfilling its obligations to the disadvantaged youth the RGNIYD established the Department for Socially and Economically Disadvantaged Youth (DSEYD). The DSEYD regularly conducts capacity building/ skills development programmes with a prime objective of enhancing leadership, knowledge and entrepreneurial skills among SC/ST youth in India.

About the program

Entrepreneurship is a process of starting an enterprise. According to ILO there are 88 million young women and men around the world who are unemployed which means 47 per cent of 186 million unemployed persons are there globally. Hence inculcating the spirit and creating an interest for entrepreneurship among the youth is an urgent need. This workshop intends to disseminate knowledge on financial management and raising capital to initiate entrepreneurship among the SC/ST youth population in the Union Territory of Puducherry. The workshop shall enable the M.Phil./Ph.D. scholars and post graduate students to understand the new horizons of entrepreneurship and financial management practices.
