- Enhance the knowledge of Teachers upon Social Work leading to the upliftment of Student Community
- Facilitate cross cultural debates and responses to the difficulties experienced by Health Care Providers
- Develop collaboration between academic institutions to establish Consortiums to do research and develop Global Models of Wellness Education.

SUB - THEMES

1. Teachers – the Promoters of Sustainable livelihood
2. Universal Health Coverage
3. Living well with chronic diseases and serious illness
4. Household Health
5. Effective Mental Health Treatment through scaling up Psychological Therapies
6. Maintenance of Health in Educational Institutions and work places
7. Fitness Measures and Classroom Practices
8. Health Economics

ABOUT PONDICHERRY UNIVERSITY

What Makes Pondicherry University Different from the rest, is that We Provide Opportunities to Grow, Freedom to Think, Ambience for Innovation, Democracy with Discipline and Liberty with Accountability. Pondicherry University, the Central University was established in Oct 1985 by an Act of Parliament and has celebrated its Silver Jubilee. It is spread over land sprawling, lush green, Wi-Fi enabled campus of more than 800 acres.

It has emerged as one of the fastest expanding Central University of India offering a wide range of 159 Programmes under 14 Schools and 9 Centres. It provides the most conducive environment for pursuing Tertiary Level Education. The main objective of the University is to remain connected globally, at the Forefront of all the Institutions of Teaching, Learning and Research.

LOCATION OF THE UNIVERSITY

Pondicherry University is located about 165 km south of Chennai Metropolis. It is well connected by road, rail and air. It is situated on the Chennai Puducherry East Coast Road (ECR), where Buses ply frequently from Chennai Koyambedu (CMBT) Bus Stand and stop at the University Gates. This is the most convenient route to reach the University.

ABOUT THE SCHOOL OF EDUCATION

The School of Education was established in 2007. With its competent Faculty, the School offers various Programmes. The Masters in Education Programme (M.Ed.) provides opportunities for the capacity building of future Teacher Educators. The School lays emphasis on Course papers viz., Educational Technology, Teacher Education, Special Education, Educational Planning and Administration, Value Education, Environmental Education, ELT and Guidance & Counseling. The Ph.D., Programme is offered in the broad area of Education and its Allied Disciplines promoting Educational Research on an Interdisciplinary perspective.
