

PONDICHERRY UNIVERSITY

SCHOOL OF LIFE SCIENCES

CENTRE FOR BIOINFORMATICS

Invited Lecture

on

Protein structural similarities, differential dynamics and ligand interactions: The NMR route to Drug Discovery

by

Dr. Raj Bhaskaran

Research Professor, Director-NMR / Core Instrument Facilities,
Molecular Sciences Research Centre, Department of Chemistry, Claflin University, USA

Date : Wednesday, July 25, 2012

Time : 10:30 A.M.

Venue : Earth Sciences Seminar Hall, Science & Humanities Block II

All are invited to attend

**RSVP
2655212**

**P.P. Mathur
Centre Head**
