

About the Department

The Department of Chemistry, Pondicherry University was established in 1987 and since then has been doing path-breaking research work in the contemporary chemistry. Major thrust areas of the Department include Organic Synthesis, Magnetic Resonance, Nanomaterials and Photocatalysis, Solid State Chemistry, Catalysis, Organometallic Chemistry, Theoretical Chemistry and Polymer Chemistry. The Department offers Post-graduate programs in Chemistry including M.Sc. (2 year), M.Sc. (5 year integrated) and Ph.D. Success of a large number of post graduate students in national tests, UGC-CSIR, NET and GATE bear testimony to quality teaching in the Department. Similarly, publications in scholarly national and international peer-reviewed journals showcase the Department's achievements. The Department has been recognized for special funding by UGC (SAP-DSA) and DST (FIST).

About Pondicherry University

Pondicherry University is a Central University established by an Act of Parliament in October 1985. It is an affiliating University with jurisdiction spread over the Union Territory of Pondicherry, Lakshadweep and Andaman-Nicobar Islands. The University's motto is "*Vers la Lumière*" meaning "towards the Light". The main campus is located at Kalapet, 10 km from the town of Pondicherry, in a serene and beautiful campus of 800 acres adjoining the scenic Bay of Bengal. The University also has off-campus centres at Puducherry-town (Community College), Karaikal and Port Blair. It is the fastest growing central university with more than 5000 students representing all states of our country and even abroad, and over 450 highly qualified faculties across the country.

About the Symposium

It is a one-day “*In-House*” symposium started for the benefit of Ph.D. scholars and M.Sc. students in order to improve their knowledge by interacting with our own colleagues. This one-day symposium will be focusing on the recent developments made in our department in the frontier research areas of chemistry. It is conducted every year, mainly sponsored by our University and UGC-SAP grant.

Outline of the Symposium

The scientific sessions of the symposium will have few invited lectures by the eminent scientists from our region followed by the oral presentations by our research scholars. The poster presentations have also been arranged in order to have more fruitful discussions.

Thrust Areas of the Symposium

All frontier areas in chemistry and interdisciplinary research bridging such as physics, biology and applied sciences.

Invited Speakers

1. **Prof. Gurmeet Singh**, Vice-Chancellor, Pondicherry University, Puducherry
2. **Dr. V. Subramanian**, Chief-Scientist, CSIR-Central Leather Research Institute, Chennai

Registration

Registration Fee: Participants can send an email to the below address and pay the fees at registration desk (on spot) which includes the conference-kit, refreshments, and the lunch.

Ph.D. Scholars	Rs. 250/-
M.Sc. Students	Rs. 150/-

Submission of Abstracts

One-page research abstract on new findings in chemistry should be typed in MS Word, Times New Roman, 12 font-size and 1.5 line spacing with the title (bold), name and address of the author(s) and references (if any) at bottom. The author presenting the paper should be underlined and sent *via* email to the said email address (coordinator) on or before the due date.
