DEPARTMENT OF CHEMISTRY
PONDICHERRY UNIVERSITY
Puducherry – 605014
India

Ref: PU/CHEM/BKS/CSIR/UV/2014/ 1148

13th November 2014

Quotation for “UV Photochemical Reactor”

The item mentioned here is required to carry out research in the Department of Chemistry, Pondicherry University, Pondicherry – 605 014. The quantity in the first lot is indicated. Please quote your rates, discounts, conditions etc., in duplicate so as to reach us on or before **4thth December 2014**.

It may please be noted that the rate should be F.O.R. Pondicherry and no packing and forwarding charges are allowed. Sales tax will be paid as applicable to Government Institutions. Kindly note that Pondicherry University is a Central University and a Government Institution.

You are required to send sealed quotation with the reference number on the cover to

Dr. Binoy K. Saha
Assistant Professor
Department of Chemistry
Pondicherry University
Puducherry – 605 014.

You are also required to enclose the catalog, price list and the technical literature on equipment items.

The C and D form will not be issued by the University. If you are an authorized dealer, you are required to provide a photocopy of the authorized dealer certificate for the current year. If you are a manufacturer, you are required to quote only for item which you are manufacturing.

Details of the Equipment/s:

Name of the equipment: **UV Photochemical Reactor**

Specifications for UV Photochemical Reactor:

1. Quartz double wall immersion well
2. Medium pressure UV Hg lamp, 450 Watt, ~230 V
3. Reaction vessel with standard joint suitable to the immersion well.
4. Power supply to the UV lamp.
5. Safety cabinet for the assembly
