PU/SLS/AH/18th IAEC/2017/

28.06.2017

CIRCULAR

All the faculty members/research scholars who are intending to use animals are requested to submit eight copies of the proposal to the undersigned on the prescribed format (Form B) on or before **20th July 2017**. In case of multiple research projects requiring the use of animals, separate documents must be prepared for each of them. The projects could be started only after the approval of the IAEC is obtained. The faculty members/ research scholars who received the IAEC approval must submit status reports regarding utilization of animals before next approvals can be considered. Those desirous of submitting Extramural Grant Proposals involving laboratory animal use are requested to submit eight copies of research proposal for initial clearance by IAEC.
