## AN APPEAL

Dear students,

You may be aware that the Pondicherry University was established in the year 1985 and has been serving the student community for the past 33 years. Alumni Association of past students was being maintained by department wise so far.

This year, we have established Alumni Portal and requested all departments to enter the details of students completing the course in the University, so as to maintain a record of all alumnus of Pondicherry University.

We would like to continue your relationship with your Alma-mater, Pondicherry University and would like to conduct activities every year in a more organized manner.

Eventhough, each student is contributing Rs. 100/- towards Alumni Association, this amount is not sufficient for conduct of programmes for an ever growing Alumni like that of our University's.

Therefore, we appeal to all the students to donate their Caution Deposit amount to the Alumni fund so that University may be able to conduct Alumni meet with more useful activities in a grand manner to enable us to continue your relationship with your Alma-mater.

REGISTRAR (i/c)

# PONDICHERRY UNIVERSITY
