Sub: Process after Registration of Ph.D Scholars - Check list issued for Compliance - Reg Dear Sir/ Madam,

It is felt, that the process after registration of the Ph.D. candidates, pertaining to the University Departments and the Affiliated Colleges, has to be streamlined with regard to the Examination/Exemption of the Pre-Ph.D. - Part I exam, submission of synopsis, submission of Thesis, conduct of Viva-Voce and submission of panel of Examiners for evaluation of Thesis.

The Examination Wing has been receiving incomplete documents/materials of the Research Scholars without adequate information and a lot of time is wasted in seeking clarification through correspondence from the respective Deans/HOD's /Supervisors.

In order to tide over this situation and ensure the smooth conduct of the above mentioned process, and to avoid hardship to the Research Scholars, a check list has been prepared and enclosed herewith.

You are requested to meticulously follow the procedure mentioned therein, in order to ensure that all the required Information/documents/materials are sent to the Exam Wing to enable the Section to process the file without delay and also avoid unwanted correspondence seeking clarification on the enclosures submitted to the Exam wing.

Your earnest Co-operation in this regard in solicited.

B Chinums
