OFFICE MEMORANDUM

28 JUN 2010

The Commission in its meeting held on 4th May, 2010 considered the guidelines for providing one time catch-up grant to uncovered (Non 12-B) State Universities and (Non 12-B) colleges. Subsequently, the matter was discussed in the meeting of Chairman, UGC with Mrs. Vibha Puri Das, Secretary, Ministry of Human Resource Development on 25.05.2010. Accordingly, the following decision has been taken with the approval of the Chairman, UGC:

The Commission approved the draft guidelines for providing one time Catch-up grant to uncovered (non 12-B) State Universities and (non 12-B) colleges. It was decided that for colleges UGC share shall be limited to a maximum of Rs.1.00 Crore. However, in the case of Colleges located in the NER the UGC share shall be limited to Rs.1.20 Crore. It was also decided the State Government in the case of Universities and the State Government / Trust/ Society in the case of colleges should also make financial contribution and all deficiencies should be removed within one year of release of UGC grant. The revised guidelines are at Annexure- I and II.

The above decision shall be reported to the Commission in its forth coming meeting.

A copy each of the guidelines, containing eligibility criteria, pattern of assistance and other details is enclosed.

It has been decided with the approval of the competent authority that the scheme shall be implemented by the State Universities Bureau (SU) in respect of State Universities. The SU Bureau shall notify the scheme to the State Governments and invite proposals from the Universities, work out the screening procedure and process them for approval of the competent authority.

Similarly, the R.O. Cell of the UGC shall notify the scheme to all Regional Offices of the UGC who, in turn, will notify the same to the State Governments and invite proposals from the colleges, work out the screening procedure and process them for approval of the competent authority.

Guidelines for implementing the Scheme for providing One-time Catch-up Grant to Uncovered (Non-12B) Colleges

1. Introduction:

There are nearly 8800 colleges, mainly undergraduate ones, affiliated to state universities which are technically under the purview of the UGC, but do not get development grants from the UGC as these colleges do not meet the minimum eligibility norms in terms of physical facilities and infrastructure. Therefore, these colleges are not included under Section 12B of the UGC Act. The colleges are caught in a vicious cycle:

Low infrastructure causing preclusion from development grants leading to non-development of infrastructure and consequent low quality of education.

In the larger and long-term interest of a balanced and equitable development of higher education in the country, these colleges need to be supported, so that these come up to a standard and eventually become eligible for regular UGC development grants which can lead to sustained growth.

Under the Eleventh Five Year Plan, the UGC has evolved a scheme to provide one-time catch-up grant to a large number of such colleges, especially in under-served areas, which have been thus far precluded from the UGC development grants on account of gaps in their infrastructure and quality. The scheme mainly aims to strengthen such colleges and enable them to fulfil the 12B criteria for regular UGC assistance by the end of the XI Plan period. The scheme shall be called the Scheme for providing One-time Catch-up Grant to Uncovered (Non-12B) Colleges.

The Scheme is essentially a motivational mechanism for colleges to uplift themselves in terms of infrastructure and quality so as to make them eligible for regular UGC development grants. With this in view, the UGC, conjointly with the State Government concerned, shall extend one-time catch-up financial support to these colleges for meeting the expenditure of non-recurring nature, leading to substantial improvement and modernisation in their infrastructure and facilities, provided that the total financial requirement for such exercise to fill up the gaps shall not exceed Rs. 2 crore. The total financial requirement shall be shared by the UGC, the State Government concerned and the Trust/Society (in case of Government-aided Private colleges), as indicated later in these Guidelines. It is also expected that these colleges shall adopt measures for mobilising resources internally.

2. Objectives:

The main objectives of the Scheme are –

- (i) To prioritize Government Colleges and Government-aided Private Colleges, which are found wanting in infrastructure and on other quality parameters and which have therefore remained uncovered by UGC development grants;
- (ii) to extend support to these colleges so that these are able to remove the infrastructure deficiencies and become eligible for UGC development grants by the end of the XI Plan period; and

- (iii) to enable these colleges to bridge quality gaps in their functioning, to become part of the mainstream, and to contribute to quality and excellence in higher education in the country.

3. Eligibility:

- 3.1 The applicant college shall be either a Government college or a Government-aided Private College established by a Trust or a Society, and included under Section 2(f) of the UGC Act, but has not thus far received UGC development grants under Section 12B.
- 3.2 The college shall, at the time of application, meet at least 50% of permanent affiliation criteria (academic and physical infrastructure, rounded to the nearest integer), as stipulated by the affiliating University. The total financial requirements to make it meet the Section 12B criteria fully shall not exceed Rs. 2 crore.
- 3.3 The college shall already have all the necessary approvals for executing the developmental/engineering works and shall satisfy the UGC that the works were held up only for want of funds.
- 3.4 The college shall give an undertaking to complete all the works and satisfy the Section 12B criteria fully by the end of the XI Plan period.
- 3.5 The college shall already be receiving Plan and/or Non-Plan grant from the State and/or Central Government or State/ Central Government funded Bodies on a continuous basis.
- 3.6 The affiliating University has to be under Section 12B of the UGC Act. It shall submit an undertaking that the grant to the college shall be used exclusively to fill up the gaps to meet Section 12B requirements.
- 3.7 The State Government concerned as well as the Trust/Society (where applicable) shall submit an undertaking regarding cost-sharing as prescribed under these Guidelines.
- 3.8 The College shall also give an undertaking to the effect that all deficiencies would be removed within one year of release of UGC grant.

4. Preparation of Proposal:

- 4.1 The college seeking assistance from the UGC under this Scheme shall assess the financial inputs required to improve its physical infrastructure and such facilities as library, classrooms, laboratory, etc., in order to enable it to be listed under Section 12B of the UGC Act by the end of the XI Plan period. Accordingly, it shall develop a detailed project report (DPR) incorporating details of works needed to be completed in order to overcome the deficiencies, cost estimates with justification in respect of each item and indicating the time frame for completion of all the works by the end of the XI Plan period.

Among other details, the DPR will also delineate the measures the college proposes to mobilise resources internally.

- 4.2 The college shall submit the DPR, along with the particulars of the UGC Scheme, to the State Government concerned through the affiliating University, for their approval/concurrence.

- 4.3 Subsequently, the college shall submit the DPR along with the approval/ concurrence of the affiliating University as well as that of the State Government, to the UGC.
- 4.4 The DPR may be submitted together with basic information as per the proforma at Annexure-I, proof of approval of all developmental/engineering works, the undertakings of the college itself, the affiliating University, the Trust/Society (where applicable) and the State Government.

5. Nature of Assistance:

- 5.1 The UGC assistance under the scheme shall be limited to a maximum of Rs.2.00 crore for infrastructural development. The State Government/Trust/Society shall also provide financial assistance to remove the deficiencies. All deficiencies shall be removed within one year of receipt of UGC grants.
- 5.2 The UGC assistance under the Scheme (50 % or 60 %, as the case may be) shall be limited to a maximum of Rs.1.00 crore (Rs.1.20 crore for the North East).
- 5.3 The financial assistance from the UGC under the Scheme shall be available only up to the end of the XI Plan period.
- 5.4 The college shall utilise the funds given under the Scheme only to construct/extend various types of buildings such as library, laboratory, classrooms, workshop shed, animal house, men's hostel, women's hostel, staff quarters, teachers' hostel (transit), seminar hall, committee room, counseling cell, auditorium, tutorial room, canteen building, non-resident student's centre, health centre, sports facility and others, and not for any recurring expenditure including faculty positions. The college shall follow the UGC Guidelines for the Construction of Buildings.

6. Procedure for Approval and Release of Grant:

- 6.1 An Expert Committee constituted by the UGC shall evaluate the DPR and assess the justification for seeking financial assistance from the Commission in respect of each item proposed by the college and accordingly submit its recommendations to the Commission regarding approval of the project and the quantum of grant. The decision of the Commission in this regard shall be final and binding.
- 6.2 If the project is approved, the UGC shall release 50% of the allocation approved by the Commission as the first instalment.
- 6.3 The second instalment of 35% of the allocation shall be released only after the State Government concerned releases 50 % of its committed share towards non-recurring expenditure, and the college submits the Utilisation Certificate in respect of the first instalment of grant released by the UGC.
- 6.4 The third instalment of 10% of the allocation shall be released on receipt of the Utilisation Certificate in respect of the second installment.
- 6.5 The final instalment shall be released on reimbursement basis after completion documents of the building project are submitted to the UGC.

7. Monitoring:

The UGC shall monitor the implementation of this Scheme as a centrally sponsored programme through the affiliating University concerned. For this purpose the college shall submit Annual Progress Reports to the Commission through the affiliating University.

8. Consequences of non-compliance:

If on the basis of the Annual Progress Report(s), or on the basis of any inspection caused by the UGC otherwise, of the college buildings, laboratories and other infrastructure, the UGC is convinced that:

- a) the college has not fully or properly utilised the funds released to it under the Scheme, and/or
- b) the college has not completed the project as scheduled, and/or
- c) the college has failed to meet the Section 12B criteria by the end of the XI Plan period, and/or
- d) the college has failed to comply with any of the conditions for financial assistance under the Scheme,

The UGC may take appropriate action which may include any one or a combination of the following:

- a) withholding further instalment(s), if any,
- b) recovering the entire allocation or any part thereof,
- c) declaring the college ineligible for consideration under Section 12B for a specified period,
- d) declaring the college ineligible for financial support from the UGC under any other scheme for a specified period,
- e) declaring that the college does not have the required quality of education and informing the stakeholders through public notice and by posting on the UGC website,
- f) taking such other action as it may deem fit and proper.

NEW DELHI-110002

Guidelines for providing additional assistance to Universities and 5500 Colleges already covered under Section 12(B) of the UGC Act, 1956.

Introduction:

UGC provides financial assistance to 131 State Universities and about 6000 Colleges affiliated to various State Universities which are declared fit to receive central assistance under Section 12 (B) of the UGC Act, 1956. These universities and colleges are getting the Plan Grants for both developments as well as under the Merged Schemes. Now, UGC has decided to strengthen this Sector further and has evolved a scheme to provide additional assistance to State Universities and Colleges already covered under Section 12(B) of the UGC Act, 1956.

Objective of the Scheme:

The objective of the Scheme is to strengthen teaching and learning process in universities and colleges so that the quality in teaching and learning could be improved. Equipment like generator, inverter, laboratory equipment, smart board, refrigerator, audio-visual equipment including digital camera, LCD/TV and other teaching aids, computer and accessories, software and reprographic facilities.

Eligibility Conditions:

Assistance under the Scheme shall be provided to all State Universities and colleges covered under 12 (B) of the UGC Act 1956.

Preparation and submission of Proposal:

Eligible universities and colleges shall prepare the DPR keeping in view the objective of the Scheme. Universities shall submit their proposal to the State Universities Section of the UGC at New Delhi while Colleges to the concerned UGC Regional Offices.

Nature of Assistance:

Following financial assistance shall be provided under the Scheme:

- (i)
- | | | |
|----|-----------------------------------|----------------|
| 1. | Ceiling of grant for universities | Rs. 1.0 crore |
| 2. | Ceiling of grant for colleges | Rs. 25.0 lakhs |
- (ii) The above grant shall be given in order of priority mentioned below:
- (a) Institutions located in the minority concentrated areas catering to at least 20% of minority students.
 - (b) Institutions located in the SC/ST concentrated areas catering to at least 20% of SC/ST students separately or together and institutions located in border areas.
 - (c) Institutions catering to at least 50% girl students.
 - (d) Other remaining institutions.

Others:

1. In case, the Commission receives additional allocation for this purpose in revised budget, the above mentioned allocation shall be proportionately increased.

2. The assistance under the Scheme shall be treated as additional developmental assistance to universities and colleges during the XI Five Years Plan.
3. Since the Scheme has been operationalised in the fourth year of the XI Plan, it is expected that more funds would be available with the UGC under the Scheme in the coming financial year and thereafter. Therefore, any left over university and college shall be assisted in the coming year(s).
4. The grant under the Scheme shall be allocated by the State University Bureau and the respective Regional Offices on priority within a time frame of three months through inter-face meetings.

State Universities Bureau shall notify the Scheme and invite proposals from the Universities, work out the screening procedure and put them for approval of the Competent Authority. Similarly, the R.O. Cell of the UGC shall notify the Scheme to all Regional Offices of the UGC who, in turn, will notify the same and invite proposals from colleges, work out the screening procedure and put them for approval of the Competent Authority.
