To

16 FEB 2012

The Registrar,
Pondicherry University,
Bharat Ratna Dr. B.R.Ambedkar Administrative Building,
R.V.Nagar,
Kalapet,
Puducherry – 605014.

Sir,

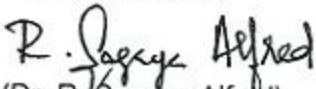

Sub: DST&E – PCS&T – Nominations from SC/ST community for participation in a refresher course on "update on IPR" organized by DST, GOI –Requested–Reg.

Ref: Lr. No. DST/PIC/Ref_Training/2011-12. dated 03.01.2012 of the Scientist "G" and Head, DST, MoS&T, GOI.

Department of Science and Technology has identified the need to disseminate Intellectual Property Rights (IPR) through a special drive to reach SC/ST qualifies personnel in the country. In this regard nominations were invited from SC/ST community for participation in a refresher course on "update on IPR" planned for state functionaries including academic institutions/P.G. Colleges/ Universities / state level laboratories. Selected participants will be reimbursed the 2 tier A/C train fare as well as local hospitality during those days. A copy of the letter cited above is enclosed for ready reference.

It is therefore requested to nominate and send a name of SC/ST candidate with their details (as per the annexure) from your institutions on or before 29.02.2012 to this Department for onward submission to DST, GOI

Yours faithfully,

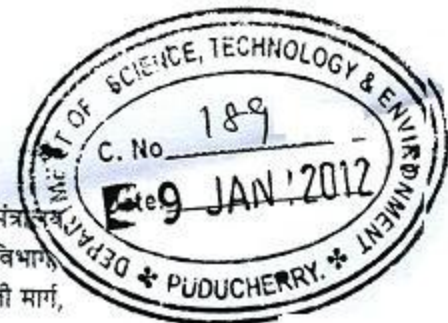

(Dr. R. Sagaya Alfred)
Senior Scientific Officer

Dated 03.01.2012

Subject: Request for nominations from SC/ST community for the refresher course on "update on IPR" planned for State functionaries including academic institutions/P.G. Colleges/Universities/state level laboratories etc. - reg.

Dear Dr. Sundaravadivelu,

As you are aware, this Department as early as 1995 established Patent Facilitating Centre (PFC) with a mandate of disseminating IPR related knowledge in the country. Under this a number of awareness workshops have been organized every year throughout the country, publishes a monthly IPR bulletin and also facilitates academic institutions to file patents. More than 500 national and international patents have been filed through PFC. Further in order to give proper linkages with the state machinery; the Department has also facilitated the establishment of Patent Information Centres (PIC) in different State Councils of Science & Technology. At present there are 25 PICs in the Country under the support of DST. Through these PICs we could also establish intellectual property cell in Universities (IPCU) and each connects further five Universities.

Considering the importance of IPR covering Patents, geographical indications, copyright, industrial design etc. the Department has identified the need to disseminate this knowledge through a special drive to reach SC/ST qualified personnel in the country. The State Councils of Science & Technology are being the focal points for DST through PIC, you will be able to send atleast five names from SC/ST candidates for the above programme. We have planned to conduct three programmes of three days duration in this quarter at **Gujarat Council on Science & Technology, Multistory Building, B/7, M.S. Building, Sector-11, Near Pathik Ashram, Gandhinagar-382011 (Gujarat).**

You are requested to nominate five names of SC/ST candidates with their details (as per the format) from your State. These participants could be in the Government or in Colleges/Universities/State Laboratories. The information of the prospective candidates may please be sent to undersigned and copy to Er. Ravinder Gaur, Scientist-C, email: rgaur@nic.in and speed post within a fortnight. The participants will be reimbursed the 2 tier A/c train ticket fare as well as local hospitality will be provided during those days. I earnestly solicit your cooperation.

With kind regards & a Happy New Year

Yours sincerely,

(G.J. Samathanam)
