Dear Dr. Khan,

The Ministry of Human Resource Development, Government of India vide its letter No. F.7-5/2016 Desk.U dated 8th December, 2016 has asked the University Grants Commission to circulate the recommendations as below to all Central Universities for immediate compliance.

2. The Government of India had set up a Commission of Inquiry consisting of Justice Ashok Kumar Roopanwal (Retd.) to inquire into the events at the University of Hyderabad, culminating in the death of Shri Chakravarti R. Vemula, a research scholar in the University of Hyderabad vide Notification No. S.O. 325 (E) dated 2.2.2016. One of the terms of reference of the Commission was to review the existing grievance redressal mechanism for students at the University, and to suggest improvements.

3. The Commission has submitted its report and the following recommendations made by it have been accepted by the Government for implementation in all the Central Universities, including the University of Hyderabad:

- (i) The university should evolve a mechanism where the students can appeal in case there is any excess by the university.
- (ii) Counselling Centres consisting of professionally trained counsellors should be set up which shall provide services to students, research scholars and faculty including non-teaching staff.
- (iii) Monitoring Committees should be constituted which should be headed by the supervisors who would provide guidance on the matters related to the subjects studied by the students.
- (iv) Equal opportunity cell headed by the Anti-discrimination Officer as per the UGC (Promotion of Equity in Higher Educational Institutions) Regulations 2012 should be made functional.
- (v) Grievance Redressal Committee headed by the Ombudsman as per the UGC (Grievance Redressal) Regulations 2012 should be made effective.
- (vi) All the directives in the orders passed by the High Court of Andhra Pradesh in PIL No. 106/2013 should be implemented.
