CIRCULAR

A committee was constituted to develop and implement online management of academic activities of students of all PG programmes of the university. Accordingly, Students Academic Activity Management System (SAMS) software is being developed by Centre for Bio-informatics, Pondicherry University.

Based on the recommendations of the Committee this system was demonstrated to all Deans / HODs / Centres Heads of Pondicherry University. Several suggestions were made by the Deans / HODs / Centres Heads and it was decided to implement the Pondicherry University Students Academic Activity Management System (SAMS) from the monsoon semester of 2017 – 18 Academic Year.

During this semester students may be issued only one Registration card only and they can enter hardcore and softcore courses and get the signatures of the concerned teachers and faculty advisors and hand over the cards to Departments/Centre Office. Students failed in the even semester courses and registering for the same in this semester **need to indicate them as "AR"** in the Registration Card. The Office Staff / Data entry operators need to update the data into the system.

Deans / HODs / Centre Heads may depute one or two Office Staff to undergo training for smooth in induction of the (SAMS) as per the following schedule:

04.07.2017	:	Batch – I	} Annexure I
05.07.2017	:	Batch – II	
Time & Venue	:	2.30 P.M, Computer Centre, Administrative Building, Pondicherry University.	

The Office Staff / DEO are advised to bring with them:

1. Courses offered by the Departments / Centres and Teachers
2. List of Students both Soft and Hard Copies
3. Time Table / Course allocation both Soft and Hard Copies
4. No. of Guest Faculty
