

Eligibility Criteria

All nominated faculty should be teaching at least ONE engineering subject from any discipline of engineering IT or non-IT (*Except English and Management related subjects*)

All nominated faculty should have an overall work experience of 3 years and above in their entire career. (Including industry / part-time/research experience is acceptable) **ONLY 3 out of 32** can be teachers of Maths, Physics and Chemistry **subjects**.

Attendance of the participants for EVERY session is mandatory since ALL the certification fees are paid up front by Mission10X and drop-out for any reason in the middle of the session will cause immense discomfort. The nominated faculty should be relieved from all their duties for the 5 days.

Pre registration by the participants through e-mail is a must.

Mail to : booni_67@yahoo.co.in

Also confirm registration by sending the hard copy of the registration slip attached through courier or speed post.

Hard copy of the registration slip is to be sent to

Dr. S. Bhuvanewari,

Convener,

FACULTY DEVELOPMENT PROGRAM**

07-05-2012 to 11-05-2012

Prof. J.A.K. Tareen

Vice-Chancellor

Prof. M. Ramadass

Director(SEI&RR)

Shri. S. Loganathan

Registrar

Dr. V. Prithiviraj

Program Mentor, Dean (I/C),
School of Engineering & Technology,
Pondicherry University

Dr. Lalitha Ramakrishnan

Committee Chair, Centre Head,
Pondicherry University, Karaikal Campus

Dr. S. Bhuvanewari

Program Convener, Reader & Head,
Dept of Comp Science, Pondicherry University,
Karaikal Campus

Mr. G. SureshKumar,

Committee Member, Assistant Professor,
Dept of Comp Science, Pondicherry University,
Karaikal Campus

Mr. G. Kumaravelan,

Committee Member, Assistant Professor,
Dept of Comp Science, Pondicherry University,
Karaikal Campus

Mrs. R. Lakshmi,

Committee Member, Assistant Professor,
Dept of Comp Science, Pondicherry University,
Karaikal Campus

WIPRO Mission10X

Workshop

(5 Full-Day)

Mission10X is a **Not for Profit** Trust created by Wipro Ltd., and was launched on 5 September 2007.

Mission10X is to increase employability of engineering graduates by 10 times or multiples of 10 times.

The *Vision* of Mission10X is to increase employability of fresh graduates in India by 10 times.

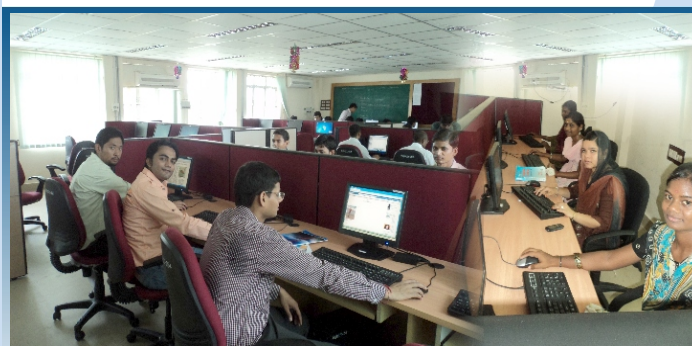

The *Mission* is to empower engineering faculty to practice world-class teaching learning processes in the classroom to achieve the vision.
