

Department of Electronic Media and Mass Communication  
in collaboration with  
Department of Economics, Pondicherry University

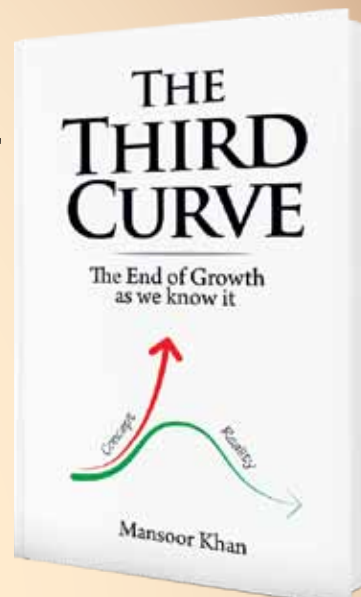

present a talk on

# THE THIRD CURVE

## THE END OF GROWTH AS WE KNOW IT

and an interactive session  
with the author

# MANSOOR KHAN

*"Khan lucidly presents  
the counterpoint to the ideas of  
perpetual growth: a keen penetrative look  
at the state of our natural resources and the  
laws of energy that govern our hopes and  
plans for the future."*  
- Shashi Tharoor

**"A NEW LENS TO  
UNDERSTAND  
THE NEW  
ECONOMIC REALITY"**

On 12 March, 2014  
From 3 pm to 5 pm  
At SOM Auditorium,  
School of Management Building,  
Pondicherry University

*"Future economic  
collapses may well be possible if we  
move on growth paths that do not recognize  
the finiteness of resources and the fragility of  
ecosystems."*  
- Dr. Ligia Noronha (TERI)

**The talk and interactive session is open to all.
