

DBT sponsored Teacher/Researcher Short-term Training on Fermentation and Bioseparation Methods at Pondicherry University

(January 02-17, 2015)

Department of Biotechnology
Ministry of Science & Technology
Government of India

Applications from teachers and researchers from University/Colleges and institutions are invited for DBT sponsored **Short-term training course on Fermentation and Bioseparation Methods** being held during **02-17 January, 2015** at Pondicherry University.

The training course will cover overview of Biotechnological prospects from microorganisms, Solid state fermentation, Submerged fermentation, Statistical optimization, Strain Improvement, Metabolomic approaches, Chromatography techniques, HPLC, MALDI-ToF, Scale-up process, Factorial designs, Critical control factors and Greener production methods.

Eligibility	: Assistant Professor/Lecturer /Scientists/ Research scholars who are involved in teaching/Research in Life Science / Microbiology / Biotechnology.
Duration	: January 02-17, 2015 (14 working days)
Age Limit	: Preferably below 45 years
Last date of application	: November 30, 2014
Course fees	: There is no course fee. Limited accommodation on sharing basis will be provided on request.
No of participants	: 24 participants are permitted.

How to apply: Eligible candidates may send their application with brief biodata by hard copy and soft copy (fermbioseppu2015@gmail.com) along with recommendation from their HOD/Principal to The Coordinator, Short-term training on **Fermentation and Bioseparation Methods**, Department of Microbiology, School of Life Sciences, Pondicherry University-605014. The application should include Name of applicant, Date of Birth, Educational qualification, Position held and office address (Email and mobile), Teaching / Research experience and Purpose of attending training programme (150 words).
