Greetings from the Placement Cell of Pondicherry University.

The Placement Cell of Pondicherry University has been providing Placement Services and other supports like organizing Faculty Development Programmes, Students Workshops, Industrial Visits etc., for the benefit of the Students and Faculty Members of the University Departments and its affiliated colleges. The support extended by you and your team is acknowledged and without such support it would have been tedious to organize such events. The Placement Cell seeks similar support for the current academic year 2011-2012 too.

The University Placement Cell is now in the process of negotiating with the companies for the Campus Recruitment of 2011-2012 batch. The Pondicherry University Placement Committee is in receipt of number of requests from the affiliated Colleges for the formation of the Placement Consortium for the Group Campus Recruitment of 2011 ó 2012 batch, as in the previous years. In response to such requests, I am directed by the Chairman of the Placement Committee to organize a meeting of the Principals, Directors & Placement Officers.

As the intention of this meeting is to take policy decisions related to Placement Consortium, its Member Colleges, Placement Fee etc., it is kindly requested that the Principals, please make it convenient to attend this meeting or depute and authorize a senior person who will be able to take decisions in this meeting. This will enable the Placement Cell to proceed further without delay, by initiating talks with the recruiters.
