Competitions on Information/Cyber Safety and Security Awareness

Information Security Education and Awareness (ISEA) is a Ministry of Electronics and Information Technology (MeitY), GoI initiative with an objective of capacity building in the area of information security, training of Government personnel and creation of mass awareness on information security awareness targeted towards students, women, police and other user segments. The project is being implemented through Fifty one (51) institutions for academic activities (4 ISRDCs, 7 RCs, 40 PIs including IISc, IIT's, NIT's) and CDAC Hyderabad as a coordinating agency for Awareness program. A multilingual web portal www.isea.gov.in / www.infosecawareness.in has been developed with abundant multimedia content for various user segments by covering the various areas of the cyber security.

Objective Objective to organize these competitions are to inculcate cyber hygiene among the Internet users
