

Workshop on ProQuest Dissertations and Theses A& I and Literature Online Databases 17 March 2014

Organised by

ProQuest & Ananda Rangapillai Library, Pondicherry University

ProQuest is the world's leading provider of science and health information and serves more than 30 million scientists, students and health and information professionals worldwide by providing world-class information and innovative tools that help them make critical decisions, enhance productivity and improve outcomes.

ProQuest Dissertations & Theses A& I, the multidisciplinary database is the world's most comprehensive collection of dissertations and theses from around the world, spanning from 1743 to the present day. The various subject areas covered by this database are Business, Health & Medicine, History, Literature & Language, Science & Technology, Social Sciences, etc.

Literature Online provides both scholars and students with texts, criticism and search tools which open up new possibilities for academic research, teaching and undergraduate learning. Integrating over 350,000 works of poetry, prose and drama from the 8th to the 21st century with a huge library of criticism and reference material, including thousands of literary articles, essays, biographies and encyclopedia entries.
