“Fun With Science”

**REFLECTIONS
2014**

**Department Of Physics,
Pondicherry University.**

Reflections

Reflections is an annual science festival hosted in Pondicherry University by Department of Physics. In order to honour Sir C. V. Raman and his contributions to the scientific world, India celebrates February 28th as the National Science Day.

"Reflections" is the program celebrated on this day to bring out talents of young minds. It aims to popularize science through innovative events, competitions and sharing of ideas. This program not only exposes but also helps the students to nourish their path in the field of science. It is one of the open door to the common people to feel the essence of science.

Various events at the Reflections:

Ask An Expert:

- Have query? Fire away....
- This event provides an opportunity to clarify the doubts that we have with the help of the experts present.
- No Registration is required. All are welcome!!!

Junkyard Science:

"RESURRECT THE DEAD!!!"

- Explore your surroundings, collect every possible junk and make science out of it! .
- Event is open to students of all streams in the undergraduate/graduate level.
- The team can consist of maximum 2 members.

Debate:

- Event is open to students of all streams in the undergraduate/graduate level.
- The team can consist of maximum 2 members.
