Sub: Participation of Students in "RESONANCE" - National Students' Meet  
organized by TISS, Mumbai from 21st and 22<sup>nd</sup> December 2011.

Dear Sir/Madam,

Hearty Greetings from Tata Institute of Social Sciences, Mumbai!

Since its inception in 1936, the Tata Institute of Social Sciences has never limited itself to the mandate of a conventional university; rather, it has worked for the promotion of sustainable, equitable and participatory development, social welfare and social justice through value based professional education, social research, social intervention and contribution to social and welfare policy.

Over the years, the Institute has, among other thrusts, made a significant contribution to policy, planning, action strategies and human resource development, in several areas, ranging from sustainable rural and urban development to education, health, communal harmony, human rights and industrial relations.

It is our pleasure to share with you that our Institute has completed seventy five years in this year. As we celebrate our Platinum Jubilee Year, it is the time to reflect, showcase and plan for a more inclusive and developed society. With alumni spreading over all seven continents, the event will see people from all walks of life, from national to international, from government to private to civil society to rejuvenate and reimagine the unique positioning of the institute in the socio politico developmental scenario of India and internationally.

'Resonance' is one of the events being envisaged as an inter-college/university youth meet, for post-graduate students of social science disciplines from leading universities and Institutions across the country on 21<sup>st</sup> and 22<sup>nd</sup> December 2011.
