SPRINGER NATURE USER AWARENESS PROGRAM

Date : 10.09.2018 ★ Time : 2.30 p.m. ★ Venue : J.N. Auditorium

Springer Nature is the world's largest academic publisher which publishes world's most influential journals and a pioneer in the field of open research. Springer Nature enable researchers, students, teachers, and professionals to access the full depth and breadth of science, technology, medicine, social sciences and humanities and helps in publishing the outcome of the research. Springer Nature offers books, journals, databases & solutions, platforms, etc.

Springer Nature User Awareness Program will help faculty, research scholars and students to create awareness about the e-resources from Springer Nature which are accessible to Pondicherry University. There will be a detailed presentation followed by live demo of all the Springer Nature e-resources. The program will also depict the publishing activity of Pondicherry University with Springer Nature which will help the faculty, scholars and students to identify the area and understand the publish procedure for effective publishing of their scholarly content.
