Witness The Rising

15th, 16th, 17th & 18th March 2012

Egypt is the land of the pharaohs, intriguing legends, ancient civilizations and mysterious temples. The Egyptians were preoccupied with the cult of the dead as witnessed by the intricacies of mummification and their fierce beliefs and rituals associated with their passing on to the afterlife. From the curse upon Tutankhamen's sarcophagus to the architectural wonder of Abu Simbel, we from PIMS would love to have you join us in rediscovering and uncovering the glory and mystery that has shrouded Egypt since time of old.
