***Greetings from Gandhi Fellowship!***

It's a privilege to connect with the esteemed institute, Pondicherry University. I feel extremely proud to introduce Gandhi Fellowship our Transformation Leadership Program for the outgoing students who are ready to step into the professional arena. Our recruitment is for an essential sector, a sector which among others needs focus and priority not only from the government but also in the form of partnerships and investments from large and important corporate across the globe.

The Development Sector, as we all know needs more inclusive focus at the grassroots, and leadership in the form of Social Entrepreneurs. And this is the aim that The Gandhi Fellowship Program under the aegis of Piramal Foundation and Kaivalya Education Foundation, works towards and in its mission creates India's finest Social Entrepreneurs.

As part of our continued endeavor to recruit fresh batch of fellows and prospective change leaders, we present our program to the outgoing batches of institutes and help them make a unique choice in their professional journeys. In this regard, it makes us proud to share with you that our alumni comprise talent from leading and premiere institutes of India! Including IIT Bombay, IIT Guwahati, IIT Delhi, IIT Roorkee, IIT Kharagpur, IIT Madras, IIM Shillong, IIM Indore, BIT, VIT, SRM University, NMIMS, Jamnalal Bajaj, Jadavpur University and many more.
