If the tenderer is not an Income Tax assessee, **a non-assessee certificate** issued by the Income Tax Authority should be enclosed. **Permanent Account Number (PAN)** of the Income Tax should be furnished.

16) No interest will be allowed on EMD which will be refunded on the satisfactory completion of the contract. If the contractor fails to supply any one of the articles within the delivery period prescribed or comply with all or any of the terms and conditions of the agreement, it shall be lawful for the University authority to purchase elsewhere and from person or persons other than the contractor such quantities of articles or materials as shall not have been supplied and delivered by the contractor and to collect from him the difference of cost between the price of articles purchased from the open market and the price or prices payable under the contract for such articles.

17) The tenderer is at liberty to quote one or more or all the items. The rates of the items will be considered separately and individually.

18) No insurance charges are payable. The supply should be made at the supplier's own risk. Damages and breakages, if any found in transit, will not be accepted, the articles thereof should be replaced; otherwise the cost will be deducted from the bill.

19) **The rates quoted should be valid for acceptance for a period of 180 days from the date of opening of the tenders and once accepted should be firm and unaltered during the contract period.**

20) No firm shall be allowed at any time and on any ground whatsoever, any claim for revision or modification of the rates quoted by them during the currency of the contract period. Clerical error, typographical error etc. committed by the tenderers in the tender form shall not ordinarily be considered after the opening of the tenders. Conditions such as SINGLE QUOTATION SUBJECT TO AVAILABILITY OF STORES, "SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED, ETC " will not be considered under any circumstances and the tenders of those who have given such conditions shall be summarily rejected without any further correspondence. However, change in the Excise Duty will be considered if supported by authenticated proof.

21) Rates should be quoted separately for each item, according to the Unit asked together with composition, strength presentation and related pamphlets. Tender not stipulating period of delivery and the tender with price variation clause / subject to prior sale conditions are liable to be rejected. Rate quoted should be **on door delivery basis and should be FOR destination** without SPECIFYING ANY VALUE AND SHOULD COVER EXCISE DUTY, ALL INCIDENTAL CHARGES, PACKING, FORWARDING AND INSURANCE ETC.

22) Supply should be made within 7 days from the date of receipt of supply order.

23) The tenderer will invariably inscribe in each supply **"For Pondicherry University Supply". The date of manufacturing, date of expiry and the Batch No. shall clearly be inscribed.**

24) **In the event of such Drug not being utilized within the life period, the firm should undertake to replace the stock at no extra cost.**

25) The tenderer should clearly mention the names of the drugs offered by them in the tender. The composition of the formulations wherever possible shall be furnished. The tenderer should specify the patent name, the name of the manufacturer and the product offered by him.

26) Selection of tenders would very much depend upon the efficacy/quality of the products offered.

27) Free sample of each of the items tendered may be sent to the Pondicherry University. Each sample being carefully labelled with the name of the manufacturer and item number. Full particulars of the Make, Brand Name, and Specification etc., should be noted in the tender. Samples supplied by the tenderer will be retained by the Pondicherry University. **EMD / Tender Fee should not be enclosed along-**

**with the sample. Request for return of the sample items will not be entertained on any ground. The tender document and sample should be sent in separate covers. In case samples are not provided, the tender will not be considered.**

28) The contractor shall be bound to deliver all the articles in such quantities or numbers and within the time during the contract period. All articles shall be subject to inspection and acceptance or rejection by the Tender Committee or by procuring officer. Supply orders are to be issued to the successful tenders in a phased manner, based on the exigencies.

29) Packing of tablets should not exceed 100 Nos. It should be in multiples of 10 tablets or maximum of 100 tablets i.e. 10x10 tablets or 10x100 tablets and in strip packing. In respect of LAB items wherever **KIT** is mentioned actual **ML** should be quoted. All containers i.e., bottles, ampoules, strips, vials, tins, cartons, tubes, sachets etc. must be **pilfer proof and should comply with statutory regulations** to ensure total protection to the quality and quantity of the product packed. All the labels including individual labels of the unit formulations should bear the inscription - "**Supply to Pondicherry University – Not for Sale.**" Loose packing will not be accepted.

30) Each packing shall conform to the labeling provisions of the Drugs and Cosmetics Act 1940 and Rules there under. Any misbranded drug is not only liable to be confiscated without notice but also the supplier will be penalized by recovery of the difference in the amount in obtaining from another firm not withstanding any penal action that may be taken by the Drugs Control Department.

(a) I.V. Fluids should be manufactured under FFS Technology using Medical Grade Plastic bottles, which should conform with international / national standards.

31) All articles supplied by the contractor which in the opinion of the Tender Committee / Indenting Officer, are found faulty or unfit for use shall be rejected. The opinion of Tender Committee / Indenting Officer thereon in all respects will be final and conclusive and also together operative and binding on the contractor and shall not be open or subject to question or dispute by the contractor on any ground whatsoever.

32) All articles or materials supplied in lieu of or in substitution of rejected articles shall in like manner be subject to inspection or rejection and removal as often as the Tender Committee / Indenting Officer shall consider necessary.

33) No article bearing logo-gram of any other state / U.T. other than that of the manufacturer will be accepted.

34) Each supply and batch should be accompanied with a photocopy of quality certificate from Government approved Drugs Testing Laboratory.

35) The loss to Pondicherry University, if any, incurred on account of purchase elsewhere rendered necessary by failure or neglect or refusal on the part of the contractor to supply according to the terms of the agreement will be recovered from him. If any articles or things supplied by the contractor have been partially or wholly used or consumed in the Pondicherry University Health Centre and they are subsequently found to be in bad order, unsound, un-

merchantable, inferior in quality or description or are not in accordance with the samples or otherwise faulty or unfit for or unwholesome then the contract price or prices of such articles or things will be recovered from the contractor, if payment had already been made to him. Otherwise, the contractor will not be entitled to any payment whatsoever for such articles. For infringement of the stipulations of the contractor or for other justifiable reasons, the contract may be terminated by the Registrar and the contractor shall be liable for all losses sustained by the University in consequence of the termination which may be recovered from the Security deposited by the contractor or other money due or to become due to him. In the event of such amount being found insufficient, the balance may be recovered personally from the contractor or from his property as permissible under the law.

36) The tenderer should be prepared to accept orders subject to the penalty clause for forfeiture of the Earnest Money deposit in the event the default or failure to supply within the stipulated period.

37) Any attempt on the part of the tenderer or their agent to influence the University will disqualify the tender.

38) The tenderer will invariably furnish the following Certificates with the bills for payment;

(a) Certified that the goods on which sales tax have been exempted from the Central Sales Tax Act and or the rules made there under and that the amount of charges on account of sales tax on those goods are covered under the provisions of the relevant Act, or the Rules made there-under.

(b) Certified that the firm is registered under Central Registration: .....

39) Tender should be submitted only for Medicines asked for. Substitute / equivalent should not be offered. In case the Drugs, Chemicals etc., asked for are not available, the tenderer should notify against these items as "Not Quoting".

40) The Price quoted by the tenderer shall not in any case, exceed the control price, if any fixed by Central / State Government and **should be inclusive of all taxes**. If the price quoted exceeds the control price the contractor should specifically mention this fact in his tender along with reasons for quoting such higher price. The purchaser at his discretion will in such case exercise the right of revising the price at any stage, so as to conform with the controlled price. This discretion will be exercised without prejudice to any other action that may be taken against the tenderer. If at any time during the period of contract, the price of the tendered item is reduced or brought down by any Law of Act of the Central / State Government, the tenderer shall be normally and statutorily bound to inform the Tender Committee immediately of such reduction in the contracted price. The Tender Committee is suo moto empowered to effect such reduction as is necessary in the contracted rate or in case the tenderer fails to notify or fails to agree for such reduction of rates.

41) In case of any difference or dispute arising in connection with the contract, all legal proceedings relating to the matter shall be instituted only in a court within the jurisdiction of the Union Territory of Puducherry and nowhere else.

- 42) The contract should not be sublet.
