Pondicherry University, Pondicherry – 605014

Assessment / Evaluation Report on Major Research Project
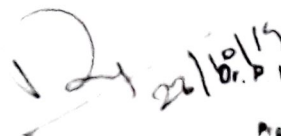

Funded By
UNIVERSITY GRANTS COMMISSION
BAHADUR SHAH ZAFAR MARG, NEW DELHI – 110 002

A. DETAILS OF PROJECT

PARTICULARS	
Title of the Project	Web Service Suitability Assessment for Cloud Computing
Tenure of the Project	THREE years from 01-07-2012 to 30-06-2015
Project Status	Completed
Subject	Computer Science
File Reference No.	F.No. 41-627/2012 (SR), Dated 16. Jul. 2012
Grants Approved	Rs. 6,75,000.00

B. EVALUATION REPORT OF EXPERT MEMBER

1.	Name of the Principal Investigator	Dr. S.K.V. Jayakumar
2.	Designation	Associate Professor
3.	Address of the Principal Investigator	Office: Associate Professor, Dept. of Computer Science, Pondicherry University, R.V. Nagar, Kalapet, Puducherry – 605014 Residential: 1A, Pacific Apartment, Golden Avenue, Vivekanandha Nagar Extn., Puducherry – 605014.
4.	Whether the work is focused on the title of the sanctioned project	Yes, the Investigator of this project focused the research work primarily on the title and objective of the project
5.	Whether the original work is done	Yes, the work is original.
6.	Whether significant contribution made by the PI	Yes, the QoS parameters of web service is well assessed for their Cloud Environment Deployability.
7.	Whether proposed work have relevance to the Society / Scientific Community	Yes, Cloud Service Providers will find it useful to find out the deployability of Web Services.

Dr. P Venkata Krishna, B Tech M Tech Ph.D
Senior Member of IEEE ACM.
Professor Dept of Computer Science
Sri Padmavati Mahila Visvavidyalayam
Tirupati A P 517502

8.	What type of contribution found in the final report theoretical/practical. If there are theoretical contribution given by the PI, whether real application are given	The proposed work is application oriented. The Investigator worked theoretically as is seen from couple of publications. Also, practical study of open source Cloud platforms also done, which will have its real time applications.
9.	Whether theoretical/practical contribution and their results and findings are published	Yes. Published in Journals and Conferences.
10.	Whether results and findings are significant	Yes, the results and findings are significant.
11.	Whether significant publication are made by the PI in peer reviewed journal	Yes, there are publications in peer reviewed journals.
12.	The number of publication made by the PI in standard reputed journal	Two papers published in reputed journals.
13.	Whether the contribution made by the PI is sufficient	Yes, the contributions are adequate.
14.	The findings and results of the sanction of major research projects are justifiable	Yes justifiable. Useful publications are there for reference of others working in this problem.
15.	Whether completed project work meet the proposed objective	Yes, it meets the proposed objective.
16.	Give your brief comments on the overall work of the project	Overall comment is, the work done on Cloud Computing will find its applications for the Cloud Service Providers. Appreciate the efforts of the Investigator and his team.
17.	Any specific comments	No other specific comments.
18.	Indicate your overall assessment of the project Poor / Good / Excellent	Good

Date: 23 / 10 / 2019
Place: Tirupati
