Reflections 2019

Organized By
Dept Of Physics

Pondicherry University

Science For Communication

About:

Reflections is an annual science event organized by Department of Physics, Pondicherry University, on the National Science Day commemorating the discovery of Raman effect (Inelastic scattering of light) by Sir Chandrasekhara Venkata Raman on 28 February 2019,

Programmes:

FIND THE CAT, DEAD AND ALIVE

Treasure Hunt

Crack the various puzzles: which will take you around the university and find the ultimate treasure

SAMASYA

Science quiz

A general college quiz, with a science flavour

SCIENCE FILM FESTIVAL:

Watch the magic of Science unravel through the powerful medium of visual communications.

Documentary Screenings on Various Scientific Topics.

AVANT-GARDE

Cartoon Sketching

Do you have futuristic ideas? Or are you worried about the impact of technology in life, nature and its intricate connectedness? Express your thoughts through a Cartoon. Sketch your ideas on the theme: **Imagining 2500: the shape and fate of the future world driven by science and technology**

POSTER PRESENTATION

Design a poster which reflects a scientific idea, based on the topics given.

PEN IT UP!

Essay Writing

Unleash the creative writer within, by penning down your ideas on scientific topics

SCIENCE-DAY MAIN EVENTS:

ELOQUENCE:

Break away from all tedium and get ready to inspire on the podium. Presenting you the best chance to inspire all with an oral presentation while winning attractive prizes.

CONNECTIONS:

Correlate the pictures, and guess the concept.

JUNKYARD SCIENCE:

Build experiments from scratch in diverse fields such as electronics, mechanics and optics, using everyday items from your backyard.

OPEN HOUSE:

A chance to visit the various laboratories of the Physics Department, as well as the Central Instrumentation Facility.

WHAT HAPPENS IF?

Have you ever wondered about various situations and thought about it? Then this is the perfect contest for you. Think about the various situations given, and cook up your best answers for an explanation and walk away with the prize!

DEXTER'S LABORATORY

Science Exhibits

Design cool science exhibits and demonstrate them!

ASTRONOMY CLUB EVENTS

1. Solar Observation and Night Sky Watching
2. Astronomy Quiz
3. Student's Seminars
4. Hands-on Work Shop on Astrophotography
5. Image Analysis and Data Analysis
6. Demonstrations and Poster Presentations
7. Documentary Festival
