
Contribution for the book series “Studies in Fuzziness and Soft Computing” (Springer)

Looking your contribution for the following book series:

Title of the book: *Fuzzy Mathematical Analysis and Advances in Computational Mathematics*

Under the book series “*Studies in Fuzziness and Soft Computing*” by Springer Nature

About the series: The series “Studies in Fuzziness and Soft Computing” is Indexed by ISI, DBLP and Ulrichs, SCOPUS, Zentralblatt Math, GeoRef, Current Mathematical Publications, IngentaConnect, MetaPress and Springerlink. The books of the series are submitted for indexing to Web of Science.

Further information about the series can be viewed on <https://www.springer.com/series/2941>

Submit your contribution to the e-mail id: fuzzsoft2020@gmail.com

Submission details for the Special Issue – Soft Computing (Springer)

Authors are requested to kindly submit their research papers directly with the following website:

<https://www.editorialmanager.com/soco/default.aspx>

Further Instruction while you submit the paper for the special issue:

Select article type:

S.I. : Fuzzy Mathematical Analysis and Advances in Comput'l Mathematics

Request Editor:

Srkannan sr. Lead Guest Editor

Enter Comments:

Extended version of the paper – FMAACM2020

And kindly place your paper id in the top of the paper

Last date for submission: 30 May 2020

Extended Papers will be published in special issue indexed by SCI
S.I. : Fuzzy Mathematical Analysis and Advances in Comput'l Mathematics
&
The book series “*Studies in Fuzziness and Soft Computing*” by Springer Nature
