Dear Sir/Madam,

Greetings from IILM-GSM!

IILM Graduate School of Management (IILM-GSM) in association with AICTE announces a two weeks Faculty Development Program on "Teaching, Training Methods & Counseling Skills for Teachers in Management Education" scheduled on April 30-11 May 2012 at IILM-GSM, 16-Knowledge Park II, Greater Noida.

Background –

It is common knowledge that despite the intellect and experience we possess, all of us need to continuously update so as to give an enriching learning experience to the students. Additionally, industry today expects management students to be job-ready. This emphasizes a need on the faculty to not only teach but facilitate learning and also train the students to prepare for careers and life as a whole. The teachers attempt to accomplish this through a combination of knowledge, style and skills. Every teacher gives a certain experience to the students and has experiences too. Sharing and learning from such experiences enhances our abilities to deliver better in a class.

The Program –

The program shall focus on understanding the demands of teaching to the new generation students and making them industry ready.

The inputs of Academicians, Corporate Speakers and people from related areas like Psychology shall combine to give the required competency to the teachers.

This program shall include talks, seminars and workshops to be conducted by experts.

The broad takeaways from the program shall be --

- Understanding the demand on Faculty members' abilities
- Inspiring the students through creative teaching.

- Imbibing employability skills among students
- Understanding the importance of Counseling and mentoring

May we take this opportunity to request you to participate by nominating faculty colleagues for the Program.

You may also circulate the information in your academic circle.

For further details please find the Brochure attached and also on our website <http://www.iilmgsm.ac.in/>.

Our co-ordinators, Dr KSL Das/ Ms. Vidya M.Iyer (contact details given in the brochure) shall take any queries that you may have.

Looking forward to hearing from you.

With warm regards,
Kavindra Kumar Singh

In association with

**IILM-Graduate School of
Management**

**All India Council for Technical
Education**

or Integrated Learning in Management (IILM) Graduate School of Management established in 1993 with the intent to impart quality education in the field of management and equip young people with knowledge and skills, which would help them make a meaningful contribution to the needs of the country while facing the challenges of the global competition.

The Graduate School of Management has fulfilled this mandate and has grown from strength to strength. The PGDM programme of IILM Graduate School of Management, which is of international standard quality, both in terms of content and delivery, has contributed to the Graduate School of Management entry into the top league of Business Schools in the country. The Institute ranks among the top 20 Business Schools in the country, a testimony to a continuous emphasis on quality education. IILM Graduate School of Management has been able to prepare its graduates for successful lifetime careers by producing successful business administration talent in the country. The Institute's excellence, holistic education, innovative approach, and global relevance are the cornerstones of IILM Graduate School of Management's educational philosophy.

**Faculty Development Programme
On
Teaching, Training Methods & Counseling Skills for
Teachers in Management Education**

30 April - 11 May, 2012

At
IILM Graduate School of Management, 16, Knowledge Park – II,
Greater Noida

Introduction

Education in the recent past has undergone radical changes to keep pace with challenges. Therefore there is tremendous need to revamp the existing competencies as well as motivational levels of faculty members. Also, the need of management education emphasizes the need for a cross-functional holistic approach in management teaching. This, with never expected uncertainties from the student population along with rapidly growing technology necessitates continuous intellectual upgradation of faculty members. This FDP will provide a common platform for faculty members to exchange ideas and enrich their teaching, training and counseling skills.

OBJECTIVES

- to update faculty members with recent developments and trends in research methods.
- to provide a forum for teachers to share experiments in teaching and learning process innovations in classroom teaching
- to disseminate the basic counseling concepts and principles to participating teachers.
- to study the application of counseling and mentoring towards better relationships between faculty, students, colleagues and society in general.

OUTLINE

- Engaging the new generation learners
- Enhancing faculty members' abilities
- Inspiring and motivational teaching
- Research of faculty and students
- Delivering Curriculum
- Technology orientation in teaching and Strategic thinking functions
- Enhancing learning potential
- Networking abilities

- Emphasis on Research abilities
- Effective use of Empathetic skills
- Dealing with Dysfunctional behavior
- Mentoring in Education

PEDAGOGY

The programme delivery will have a combination of lectures, seminars and workshops. Coordinated discussions shall facilitate knowledge sharing among participants.

WHO SHOULD ATTEND?

Management teachers cutting across functional lines are welcome to participate. As recommended by AICTE teachers having less than or up to five years of experience in areas of management or technical education in AICTE approved institutions are encouraged to attend the FDP.

REGISTRATION FEE

There shall be no participation fee for the programme. Please mail nomination form duly filled to the Course Coordinators

LAST DATE

The last date for receipt of nominations is 20th April, 2012 and the last date for withdrawal of nominations is 26th April, 2012. Substitution of a candidate may be permitted against any withdrawal with a valid reason.
